Part B - Organization and Accreditation - Calendar System

Your response to the next question determines how your institution reports Graduation Rates data in the Spring and how you report student charges in Part D of this survey.

3. What is the predominant calendar system at the institution? [Choose one]

Standard academic terms
Checking one of these systems determines that your institution will provide Graduation Rates data based on a FALL COHORT and student charges based on a FULL ACADEMIC YEAR

☐ Semester
☐ Quarter
☐ Trimester
☐ 4-1-4 or similar plan
☐ Other academic calendar

Other calendar system
Checking one of the following determines that your institution will provide Graduation Rates data based on a FULL YEAR COHORT and student charges data will be requested by PROGRAM.

☐ Differs by program
☐ Continuous basis (every 2 weeks, monthly, or other period)
Part B - Organization and Accreditation - Student Enrollment

4. Does your institution enroll any of the following types of students?

The answers to these questions determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the Winter and Spring collections. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report pricing information for these students (on the IC survey) and Student Financial Aid information in the Spring collection. Checking **No** for full-time, first-time students institutions will not be asked to report their admissions policy in Part C. The reported full- and part-time 2003 Fall Enrollment counts are provided for your reference.
