Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Graduation Rates data in the Spring and how you report student charges in Part D of this survey.

3. What is the predominant calendar system at the institution? [Choose one]

   Standard academic terms
   Checking one of these systems determines that your institution will provide Graduation Rates data based on a FALL COHORT and student charges based on a FULL ACADEMIC YEAR

   ○ Semester
   ○ Quarter
   ○ Trimester
   ○ 4-1-4 or similar plan
   ○ Other academic calendar

   Other calendar system
   Checking one of the following determines that your institution will provide Graduation Rates data based on a FULL YEAR COHORT and student charges data will be requested by PROGRAM.

   ○ Differs by program
   ○ Continuous basis (every 2 weeks, monthly, or other period)
Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students? Include all levels that your institution offers, even if there are no students currently enrolled at that level.

The answers to these questions determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the Winter and Spring collections. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report pricing information for these students (on the IC survey) and Student Financial Aid information in the Spring collection. The reported full- and part-time 2004 Fall Enrollment counts are provided for your reference.
