Addendum No. 1
Borough of Manhattan Community College – Roof Replacement
Project No: MC141-009

This Addendum is issued for the purpose of conveying below the Clarification and amending the subject Bid Documents and is hereby made part of said Bid to the same extent as though it were originally included therein.

CLARIFICATION

The following definition of “roofing work” is provided to enable Bidders to comply with the following subcontracting provisions of the Bid Documents: Part I, Instructions to Bidders, Purpose; Part II, Information for Bidder, Section 9, Subcontracting; and Part III, Information From Bidder, E. Bidder Certification, 11.

- “roofing work” includes: 1) the removal of existing roofing system components including the existing ballast, insulation, flashings and sections of roofing membranes; and 2) installation of new roofing systems, which include torch applied 2 ply SBS membrane (smooth and granular) over tapered/flat roof insulation and cover board, and liquid applied protected membrane system and related roofing components such as membrane and metal perimeter and penetration flashings, roof drains, roof expansion joint assemblies, ballast, paving, walkways, cants, waterstops, wood blocking, preparation of existing substrate, application of sealants, adhesives, installation of fasteners, etc.

This Addendum is issued pursuant to Standard form of Agreement, Article 1 & Invitation to Bid form. Bidders are asked to acknowledge receipt of this Addendum by returning it signed with their submitted Bid. Failure to do so shall be considered grounds for rejection of your Bid.
By signing in the space provided below, the Bidder acknowledges receipt of this Addendum.

This Addendum must be signed by the Bidder and submitted with the Bid.
