

What is Bb Student?

Bb Student is an app that is available for ALL iOS, Android, and Windows Phone users. You can use your smartphones on *any* carrier or network to access Blackboard course items, including announcements, grades, assignments, and discussions.

Where can I get it?

You can find the app by searching for “Bb Student” in the app store for your device.

How much does the app cost?

Use of Bb Student is free!

How do I access my courses?

After you install the app, launch it and search for your school. Log in with your CUNY Portal account to get access to your Blackboard courses. Please note: by mid-Summer 2017, access to Blackboard will require your CUNYfirst credentials and you will need to log back into the app.

When will I be able to use Bb Student to access my Blackboard courses at CUNY?

You can use Bb Student immediately.

Will I be required to download the app in order to use Blackboard?

No, using the app is optional. You will be able to use Blackboard through a web browser the way you have in the past.

How do I get help with Bb Student?

Be sure to follow @BbMobileSupport on Twitter for updates and support. Assistance in using Bb Student is available through the Bb Student Resource Center at https://help.blackboard.com/Bb_Student.
