Class Shopping Cart and Validation

Students may use the Enrollment Shopping Cart to save a list of their preferred class sections until it is time to enroll for the term.

Students may validate both their eligibility and the availability of a seat in a class section.

*Note: Placing a section in the shopping cart does not hold a seat in the class and it does not add the class to your schedule.*

**Add Classes to Shopping Cart**

Use the Shopping Cart to temporarily save classes until it is time to enroll for this term. Click validate to have the system check for possible conflicts prior to enrolling. This action does not register you for the class, nor save you a seat in the class. Classes in your shopping cart will remain there, indefinitely, until you select the checkbox of each class in your Shopping Cart and click Enroll.
