

View Holds

Students use the **Student Center** to view current holds (service indicators) on their record for specific services. They may see how to resolve their holds and which institution or department to contact for additional information.

Holds from every institution with CUNYfirst may appear in a student's **Holds** section. Any hold at a CUNY institution other than your primary institution will not prevent you from registering at your primary institution.

Note: Parts of images may be obscured for security reasons.
