How does the Transit Pass Plan work?
After you enroll in the Transit Pass Plan, your elected deduction amount will be taken from your wages every pay day. Your deductions will be credited to your Transit Account at WageWorks, CUNY’s Transit Benefit provider. You select the transit passes or tickets you want to have mailed to your home on the WageWorks website. The deadline for making your choice each month is the 10th of the month for all fare media or the 4th of the month for the MTA LIRR and Metro-North. Your pass or tickets will be mailed to your designated mailing address by the 1st day of the calendar month. For example, you make your Transit pass choice by January 10th for February.

Are there any service fees for this program?
Yes, there is an administrative fee of $3.05/month a $36.60 maximum annual cost, for account maintenance and transaction costs. The Administrative Fee is a post-tax deduction. It will be deducted from your pay once a month when you are enrolled in this plan and deductions are being contributed to your Transit Account.

How is my W-2 affected?
Your taxable wages in Box 1, Social Security and Medicare wages in Boxes 3 and 5, and state and local wages in Boxes 17 and 20 will be reduced by the value of the pre-tax transportation deductions from your pay. The amount will be labeled “IRC132” in box 14. Your wages will not be adjusted by the value of Administrative Fee Deductions.

You can leave this personal credit or debit card on file, but it will only be used if funds in your account are not sufficient to pay for your order. Or you can opt to skip a month and make your election when you have sufficient funds in your account to cover the cost of your transit pass or ticket.
Can I place an order if I do not have any payroll deductions yet or my account balance is zero?
