Examination Process - Online Work Experience Test (100% of Final Ranked Rating)

The online Work Experience Test will determine your final score. The test asks you about specific work activities you may have performed during your career. You will be asked to assess your level of experience performing each activity and to assign a rating for each activity. It is critical that you be as accurate in your assessment as possible. Your ratings will be reviewed during and prior to your interview. If it is found that you over-inflated your ratings, you will be disqualified from the examination process. All passing scores will be banded.

The examination will be prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of the New York State Civil Service Law, rules, and regulations dealing with the preparation of examinations will apply to this examination.

After the Exam

1. A CUNY Civil Service list of eligible candidates will be established, and candidates will be notified of their scores. Lists are established for one year and may be extended to up to three additional years. Each candidate’s final banded score will be determined by the Work Experience Test Score and any veteran’s preference and/or legacy credits awarded (see page 5). The final banded score will determine the order in which candidates are certified from the eligible list for vacancies. CUNY’s active civil service lists may be viewed online at: http://portal.cuny.edu/cms/id/cuny/documents/jobposting/JobPostingEligibleList/EligibleListTOC.htm

2. The civil service eligible list resulting from the examination will be used to fill positions at CUNY colleges located in all five boroughs of New York City. Candidates will be called to interview for positions in list number order which will be determined by the order of their final banded score and the 5th digit of their social security number. The City University of New York reserves the right to refer only a sufficient number of applicants to meet the current and near-term staffing needs.
3. If a candidate is selected for employment, he/she will be given a conditional offer of employment, outlining that he or she must successfully undergo pre-employment screening including a medical screening including a drug test and a background investigation, including a fingerprint screening, criminal history review, and verification of education, licenses and work history before appointment. Candidates are required to pay the fees for fingerprinting. A conviction record will not necessarily disqualify you from the position for which you are applying. Each record will be reviewed in accordance with guidelines established by the University and in accordance with New York State Law. Failure to tell the truth will, when discovered, automatically result in your elimination from consideration or your termination if you have been appointed.

4. Candidates who are appointed from the civil service eligible list resulting from this examination are subject to a one-year probationary period, which may be extended, under certain circumstances, as noted in The City University of New York’s Civil Service Personnel Rules and Regulations and/or appropriate collective bargaining agreement.

5. Continued employment as a Campus Security Assistant is contingent upon the satisfactory completion of training courses / programs prescribed by the Vice Chancellor for Human Resources, and/or the University Director of Public Safety. All Campus Security Assistants are subject to random drug screening.

Notes:
A. Release of Test Scores below 70. Per University regulations, the University does not score tests once it has been determined that an applicant failed to meet the minimum qualifications for appointment to the title. In these cases, test scores are assigned an administrative score of “60.”

B. Please note that because the City University of New York (CUNY) is a separate employer, employees of New York City agencies cannot transfer to CUNY. If an employee of a New York City agency accepts a position with CUNY, the employee’s date of appointment for the purposes of salary, seniority and time and leave accruals is his/her date of appointment to CUNY. New York City residency is not required for employment in this title.

C. Email is the preferred method of communication between CUNY and applicants. Candidates are asked to include a valid email address with the application and keep it up to date. It is the candidate’s responsibility to update contact information. Address, name, telephone number and email address changes should be emailed to: Classified_Centex@cuny.edu or mailed to OHRM, Campus HR Advisory Services, 205 East 42nd Street, New York, NY 10017. NO APPLICATIONS ARE ACCEPTED AT THIS LOCATION.

D. All candidates must meet the minimum qualifications at the time of application. A candidate who does not meet the minimum qualifications at the time of application for this title will be disqualified. Candidates who have been deemed unqualified and already been appointed will be terminated. Candidates must attest to the accuracy of the information provided at the end of the application and must attest to understanding that cheating, applying under multiple Social Security Numbers or other ethical breaches will result in disqualification.

E. Eligibility for employment: All candidates must be legally eligible to work in the United States at the time of appointment and throughout your employment with CUNY. If appointed, you must produce documents that establish your identity and eligibility to work in the United States, as required by the federal Immigration Reform and Control Act of 1986, and the Immigration and Nationality Act. Proof of meeting the above requirements is necessary at the time of application. You will be asked to provide proof of having met these requirements.

F. It is the candidate’s responsibility to complete the application fully and accurately and to submit all supporting documentation of your claims of veteran/ disabled veteran / legacy credit, or foreign education or requests for fee waiver.

G. Candidates’ education and work history will be verified. When candidates who completed college coursework outside of the United States and that coursework is required to qualify for an examination (for example, a minimum number of college credits), they must have the higher education coursework evaluated at their own expense to determine its equivalence to higher education coursework completed within the United States. Agencies that are certified to make this evaluation are listed on the “Foreign Education Fact Sheet”. It can be downloaded from the website https://cuny.cpshr.us. You must pay the evaluation fee directly to the evaluating agency you selected and forward the results of the evaluation to CPS. The certified evaluation of your foreign education must be sent within 30 days after the close of the filing period to: CPS HR Consulting, ATTN: CUNY CSA Exam #2052, 2450 Del Paso Road, Suite 220, Sacramento, CA 95834.
H. Retirees from public service employment with New York State or its political subdivisions including the City of New York are eligible for appointment (through the process outlined in this Notice). CUNY will not, however, be able to request a waiver of the earnings limitation for retirees under the age of 65, established in Section 211/212 of New York State Retirement and Social Security Law. The annual earnings limitation is $30,000 per year.

I. Appeals: Stage I Appeal of Test Results or Disqualification - Candidates may file a “Stage I” appeal of certain aspects of an examination. The candidate must provide supporting evidence for reason(s) for appealing. Please see the CUNY website for more information on appeals: http://www.cuny.edu/employment/civil-service/appeal-procedure.html

J. More information about civil service at The City University of New York is available on our website at: http://www.cuny.edu/employment/civil-service.html

Veteran and Legacy Credit

A. Veteran’s Credit - If you pass this examination, you may be eligible for the veteran’s preference credit if you are currently a New York State resident and have had full-time active duty military service in the armed forces of the United States (not the military reserves nor the national/state guards) and have been honorably discharged or separated. Veterans or disabled veterans who are eligible for additional credit and wish to be considered for the credit must indicate this as part of the electronic application process, download the form, and complete it. Effective January 1, 1998, the NY State Constitution was amended to permit test-takers currently in the armed forces of the United States to apply for and be conditionally granted veteran preference credit in examinations.

B. Legacy Credit - If you pass an examination for original appointment (not promotion), you may be eligible for an additional 10 points added to your final examination score if your parent or sibling has been killed in the line of duty as a firefighter or police officer in the service of the City of New York and you are applying for a position which would gain you entry into the public service. Legacy Credit is not applicable for promotional examinations.

   a. For Parent Legacy Credit: if candidate’s parent was killed in the line of duty as a firefighter or police officer in the service of New York City.

   b. For Sibling Legacy Credit: if candidate’s sibling was killed in the line of duty as a firefighter or police officer in the service of New York City as a result of the September 11, 2001, World Trade Center attack, or as a result of the rescue effort that took place in response to the attack a candidate can receive Legacy Credit for no more than one parent or one sibling. A candidate can, however, receive Legacy Credit for both a parent and a sibling; in which case, the candidate may be entitled to 20 points. Legacy Credit should be requested at the time of application, but must be requested no later than the day before the eligible list is established. If a candidate requests Legacy Credit after an application has been submitted, the candidate must write a letter indicating the candidate’s name, address, social security number, the open-competitive exam title and number for which Legacy Credit is sought, and whether the request is for Parent Legacy Credit, Sibling Legacy Credit, or both. Claims for Legacy Credit cannot be made once the eligible list is established. All claims for Legacy Credit will be investigated. All candidates making such claims will be required to present to CPS HR Consulting Services, prior to eligible list establishment, documentation verifying their claim. Address all credit requests and documentation to: CPS HR Consulting, ATTN: CSA Exam # 2052, 2450 Del Paso Road, Suite 220, Sacramento, CA 95834

   Note on Legacy Credit Usage: You may use Legacy Credit only once for appointment from a City, State, or County open-competitive Civil Service eligible list from a jurisdiction within the State of New York. Legacy Credit will be added only to the final score of those candidates who pass all parts of the examination.

C. You must submit all supporting documentation of your claims of veteran’s preference credit or legacy credit eligibility before the establishment of the eligible list. Veteran and Legacy credit forms are available at: https://cuny.cppshr.us. No credit may be granted after the establishment of the list. It is the responsibility of the test-taker to provide appropriate documentation.
D. Change in Disabled Veteran Credit Eligibility - Article 5, section 6 of the New York State Constitution was amended to entitle veterans who have used veterans’ credits for a Civil Service appointment or promotion and who were/are subsequently certified as being a disabled veteran by the United States Department of Veterans Affairs, to additional credits for a subsequent appointment or promotion. This Constitutional amendment, which is effective January 1, 2014, provides additional veteran credits to veterans who used non-disabled veterans’ credits to obtain a civil service appointment or promotion with New York State or a local government, and, subsequent to such appointment are determined by the United States Department of Veterans Affairs to be a qualified disabled veteran, as defined in the New York State Civil Service Law.
