REGULATION REFERENCE NO.: 7.1.4. Transfers
INDEX REFERENCE: Inter-College Transfers: Layoff
Special Provisions For Sub-Managerial Employees
Upon Abolition of Positions or Reduction In Force

The following special provisions apply to permanent sub-managerial employees who as a consequence of an abolition of positions or reduction in force are offered appointment at a different college from a Transfer In Lieu of Layoff Roster or reinstated at a different campus from a Preferred List.

Upon appointment at a different college from a transfer in lieu of layoff roster, or upon reinstatement from a preferred list to a college other than the college from which the employee was laid off, an employee will be immediately given the opportunity to select up to three colleges which they would like to be considered for inter-college transfer; the 18 month waiting period at the new college prior to eligibility will be waived.

However, all other provisions incorporated in the presently promulgated inter-college transfer guidelines will be adhered to. No special order of placement on the transfer roster will be granted, unless such request meets the standards currently regarded for extraordinary consideration.
