iii. The term "part-time employee" or "hourly employee" shall mean a person who is regularly employed for fewer hours per week than the normal work week described in Article VI, Section 1.

(b) The term "College" shall mean a Senior College or Community College of The University, the "Central Office," and the "Graduate School and University Center."

(c) The term "President" shall mean a President or Acting President of a College, and, with regard to the Central Office, the Chancellor or Acting Chancellor of the University.

Section 3.

Notwithstanding any other provisions of this Article, and in accordance with Section 201.7(a) of Article 14 of the New York State Civil Service Law, persons employed by the University in managerial or confidential positions shall be excluded from the bargaining unit described in Section 1. The parties shall meet and identify such position(s), and the results shall be set forth in a separate agreement; to the extent
the parties cannot agree, the matter shall be referred to the New York State Public Employment Relations Board for resolution. Pending resolution of this matter, those positions previously excluded by the New York City Office of Collective Bargaining shall remain excluded.

Section 4.

In the event that the current prohibition against bargaining for retirement benefits is discontinued, the parties shall recommend to the principal parties of any negotiations regarding provisions of the New York City Employees Retirement System that the University participate in such negotiations, and its employees be covered by the results thereof.
ARTICLE II - UNION RIGHTS AND UNION SECURITY

Section 1

(a) Each respective Union shall have the exclusive right to the checkoff and transmittal of dues on behalf of each employee in a title which is associated with that respective Union under the terms of the agreement among such respective Unions dated April 3, 1981. Procedures established under City of New York Mayor’s Executive Orders 98 and 99, both dated May 15th, 1969, shall remain in effect until successor University procedures are promulgated.

(b) Any employee, other than one excluded from Union membership pursuant to Article I, Section 3, may authorize the deduction of dues from the employee’s wages and designate the respective Union as the recipient thereof. Such authorization shall be in a form acceptable to the University, and shall bear the signature of the employee.

Section 2.

The University and the Union agree that employees shall be subject to an agency shop fee deduction to the extent permitted by applicable law and in accordance with procedures contained in a separate agreement hereby incorporated by reference into this Agreement.

Section 3.

Each respective Union shall have reasonable access to its dues check-off authorization cards in the custody of the University.

Section 4.

To the extent practicable when an employee transfers from one College to another but remains in a title represented by the same respective Union, the employee shall continue to be covered by the same dues check-off authorization card and not required to sign another authorization card. The College where the employee was formerly employed shall transfer the check-off authorization card to the employee’s new College.

The University will issue appropriate administrative instructions to all Colleges to insure compliance with this provision.

Section 5.

When an employee is promoted or reclassified to another title represented by the same respective Union as that which represents the employee’s former title, the dues check-off shall continue uninterrupted.
The University will issue appropriate administrative instructions to all Colleges regarding this provision.

Section 6.

When an employee returns from an approved leave of absence without pay or is reappointed or temporarily appointed from a preferred list to the same College in the same title, or in another title represented by the same respective Union, any dues check-off authorization in effect prior to the approved leave or layoff shall be reactivated.

The University will issue appropriate administrative instructions to all Colleges regarding this provision.

Section 7.

(a) Where orientation kits are supplied to new employees, the respective Unions representing such employees shall be permitted to have union literature included in the kits, provided such literature is first approved for such purpose by the University Office of Human Resources Management.

(b) The University shall distribute to all newly hired employees information regarding their Union administered health and security benefits, including the name and address of the fund that administers said benefits, provided such fund supplies the University the requisite information printed in sufficient quantities.

(c) The University and/or the Colleges shall distribute information regarding the New York City Health Insurance Program and enrollment forms to eligible employees prior to the completion of thirty (30) days of employment.

Section 8.

(a) The University shall furnish to each respective Union which makes a request, once a year between March 15 and July 1, or such other 3 ½ month period as the University shall designate, a listing of employees by job title code, home address when available, social security number and college code number, as of December 31st of the preceding year, or such date as shall in like manner correspond to the 3 ½ month designated period.

(b) The University will furnish annually to the New York State Nurses Association seniority lists by college and will correct such lists from time to time as may be necessary. Such lists shall reflect each employee's date of original appointment and length of service in the employee's current title. The list will conclusively establish an employee's seniority in the College, unless the employee protests it, in writing, within thirty (30) days from the time it is furnished or, if the employee is on a leave of absence or vacation or otherwise unable to so protest it within such time, within thirty (30) days after the employee returns from such leave or vacation or
such disability is removed.

Section 9.

Each respective union shall be permitted to use the college electronic mail facilities ("e-mail") for the distribution of authorized union communication and/or meeting notices.

Section 10.

The term Union in sections 10 and 11 of this Article shall mean Union or respective Union.

(a) The Union may post notices on bulletin boards in places and locations where notices usually are posted by the University for the employees to read. All notices shall be on Union stationery, and shall be used only to notify employees of matters pertaining to Union affairs. Upon request to the Office of Human Resources of a College, the Union may use College and/or University premises for meetings during employees’ lunch hour, subject to availability of appropriate space and provided such meetings do not interfere with a College’s and/or University’s business.

(b) The Union shall be permitted to use college electronic mail facilities ("E-mail") for the distribution of authorized union communication and/or meeting notices.

Section 11.

Time spent by employee representatives in the conduct of labor relations with the University and on union activities shall be governed by the terms of New York City Mayor’s Executive Order No. 75, as amended, dated March 22, 1973, entitled "Time Spent on the Conduct of Labor Relations between the City and Its Employees and on Union Activity."
ARTICLE III - SALARIES

Section 1.

(a) Unless otherwise specified, all salary provisions of this Agreement, including minimum and maximum salaries, advancement increases, general increases, education differentials and any other salary adjustments, are based upon a normal work week of 35 hours. An employee who works on a part-time or hourly per annum basis and who is eligible for any salary adjustments provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed on the relationship between the number of hours regularly worked each week by such employee and the number of hours in the said normal work week, unless otherwise specified.

(b) Employees who work on a per diem or hourly basis and who are eligible for any salary adjustment provided in this Agreement shall receive the appropriate pro-rata portion of such salary adjustment computed as follows, unless otherwise specified:

- **Hourly rate**: 1/1827 of the appropriate minimum basic salary
  - 1/1957.5 for Staff Nurse and Nurse Practitioner

(c) The maximum salary for a title shall not constitute a bar to the payment of any longevity increment, salary adjustment, or pay differentials provided for in this Agreement but any said increase above the maximum shall not be deemed a promotion or an advancement.

Section 2.

For the purposes of this Article these terms shall be defined as follows:

"**Specified salary**" shall mean salary rate or range specified for a job title and assignment level.

"**General Increase**" shall mean the general, across-the-board increase of salary levels as of a specified effective date, without regard to the length of service of an employee.

"**Salary adjustment**" shall mean an increase (or decrease) in salary.

"**Advancement increase**" shall mean the minimum increase due an employee who advances to a higher assignment level in the same title, or to a higher title in the same job series, or in accordance with Section 8 of this Article.

"**Salary range**" shall mean the salaries equal to or greater than the indicated minimum and less than or equal to the indicated maximum salary for a title or level.

(b) The general increases provided for in this Section 3 shall be calculated as follows:

However, an employee shall be entitled to the applicable advancement increase specified in Section 9(b) of this Article, if, when the advancement increase is added to the salary he or she was receiving or could have received in his or her prior title or level, the result is a salary higher than the minimum basic salary and all of the following additional conditions are met:

The longevity increment shall be paid no later than on the payroll for the January 1 or July 1 following the employee's anniversary date, whichever is earlier, and the payment shall be retroactive to the anniversary date.

(iii) The following rules shall govern the eligibility of employees for the longevity increments provided for in Section 11 of the 1984-87 MCEA and Section 11 of the 1987-90 DC37 Economic Agreement:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the College Appointing Authority verifies that information.

College Assistants are eligible for the Longevity Increment if they were employed in that title for 500 or more hours in each of 15 contract years (July 1 to June 30). If a College Assistant worked fewer than 500 hours in a contract year due to the fiscal problems of 1975 - 1977, but worked 400 or more hours in such year it can be credited as a 500 hour year. If he/she worked fewer than 400 hours in such a year, that year can be bridged (but not credited).

The Longevity Increment for College Assistants is forty-four cents per hour ($0.44/hr) as of January 1, 1996, for College Assistants who have fifteen years of service, and is payable no later than the January 1 or July 1 following the completion of
500 hours in the fifteenth year of creditable service retroactive to the date of completion of 500 hours in the fifteenth year.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service for the purpose of longevity increment as specified in paragraph 2 above:

   a. time on a leave approved by the proper authority;
   b. time of up to one year, prior to a reinstatement;
   c. time on a preferred list pursuant to Civil Service Law Sections 80 (Suspension or demotion upon the abolition or reduction of position) or any similar contractual provisions and 81 (Preferred lists; certification and reinstatement therefrom) or any similar contractual provision; or,
   d. time not in pay status of 31 days or less.

Notwithstanding the above, such time as specified in subsections a, b and c above shall not be used to calculate the 15 years of service.

4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the $500 or $800 longevity increment, the $500 or $800 shall become part of the employee’s base rate for all purposes except as provided in paragraph 5 below.

For the purpose of this section only, "City Service" shall mean service in The City University of New York and/or service with the following agencies and public employers:

The City of New York (includes the Office of any elected official in New York City Government)
Triboro Bridge & Tunnel Authority (Non-unique titles in classified service only)
New York City Housing Authority
Health & Hospitals Corporation
Court Systems while under NYC Jurisdiction (to be reviewed on a case-by-case basis)
Offices of the District Attorneys of the five counties in NYC
Model Cities
NYC Transit Authority
Addiction Services Agency
Board of Education
Off-Track Betting Corporation
Fashion Institute of Technology

5. The $500 or $800 longevity increment shall not become pensionable until fifteen months after the employee becomes eligible to receive such $500, or $800 increment. Fifteen months after the employee becomes eligible to receive the $500 or $800 longevity increment, such $500 or $800 longevity increment shall become pensionable and, as part of the employee’s base rate, the $500 or $800 longevity increment shall be subject to the general increases provided in Section 3(a) of this Article III.

Section 10. Training Funds

(a) Effective January 1, 1996, a training fund contribution at the rate of $25 per annum shall be made to the District Council 37 Education Fund on behalf of each full-time employee in a title listed in the Clerical Group, Reprographics Group, Gittleson Group, Accounting Group, Engineering and Architectural Group and EDP Group, in Section 7a of this Article.

Section 11. Assignment Differentials

(a) Unless otherwise specified in this Agreement, an assignment differential provided for in this Section shall be paid at the indicated rate only upon the authorized assignment of an employee to qualifying duties and during the period of the indicated assignment. The maximum salary of a title shall not be a bar to the payment of an assignment differential.

The payment of such differential shall not be considered a promotion or change of title. An assignment differential shall not be part of the basic salary.

(b) An assignment differential shall be paid to each employee in the title of CUNY Office Assistant Level II or III or CUNY Secretarial Assistant Level II or Level III or in the title of Office Aide (Level III only), who was assigned regularly to the preparation, reconciliation, certification and/or auditing of payrolls of University Human Resources prior to July 1, 1985, and remains so assigned.

Effective

10/1/08 $1,006 per annum

(d) A ten percent (10%) premium for the 36th hour shall be paid to each employee in a title in the EDP Group in Section 7(a) of this Article who is assigned to and is working three days per week, twelve hours per day schedule, and such premium shall be in lieu of any benefits that would otherwise accrue for working the 36th hour.

(e) An assignment differential shall be paid to each employee in the title of Staff Nurse, who is acting in a higher title pursuant to written authorization, at a rate equal to the difference between the rate of pay for such individual Staff Nurse and the greater of either the starting salary of the higher title or the result of the applicable advance increase, if any. Such a differential shall be paid commencing the 31st day of such assignment within a two month period.
Section 12. Staff Nurse Education Differential

This provision is suspended in accordance with a letter from the New York State Nurses Association dated January 26, 1990.

Section 14. Nurse’s Health Specialty Differential

ARTICLE V - PRODUCTIVITY, PERFORMANCE, TRAINING AND EDUCATIONAL OPPORTUNITIES

Introduction

Delivery of University services in the most efficient, effective and courteous manner is of paramount importance to the University and the Union. Achievement of this goal is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels

(a) The Union recognizes the University's right under Article 14 of the New York State Civil Service Law and Article 125 of the New York State Education Law to establish and/or revise performance standards of norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures may be used to determine acceptable performance levels, prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The University will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

(b) Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with Article XXIX of this Agreement.

Section 2. Supervisory Responsibility

(a) The Union recognizes the University's right under Article 14 of the New York State Civil Service Law and Article 125 of the New York State Education Law to establish and/or revise standards for supervisory responsibility, in achieving and maintaining performance levels of supervised employees, for employees in supervisory positions listed in Article I, Section 1 of this Agreement. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees shall be within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.

(b) Employees who fail to meet such standards may be subject to disciplinary measures in accordance with Article XXIX of this Agreement.

Section 3. Training for Improved Effectiveness and Efficiency

a. Preparation for advancement and upgrading;
b. Supervisory responsibilities and techniques;
c. High School equivalency training.

A maximum of twenty (20) hours per year of training in an approved training course may be required of each employee by the University. Approved courses shall be those conducted by an Education Fund of a respective Union or those conducted by the University for which the employee is eligible.

Training fund contributions provided in Article III of this Agreement shall be utilized by any respective Union training funds to assist in achieving the above goals for employees covered by such funds.

Failure to complete a required training course without just cause may be deemed a failure to meet performance standards for the purpose of Section 1 of this Article.

Section 4.  Orientation and Training

   1. There must be an available vacancy in the course at the time of enrollment and such enrollment shall not be used to determine if the course is to be given.
   2. The course shall not be taken during employee's normal working hours.
   3. An employee may choose to take a course during his/her lunch hour which is designated as the period between the hours of 11:45 a.m. and 2:15 p.m., provided that when an employee elects to take a course during the lunch hour he/she will automatically be charged, at the beginning of the semester, at the rate of 15 minutes of annual leave per contact hour. Therefore, on a semester basis, an employee will be charged one-half (½) day of annual leave for each classroom period per week (a classroom period is not to exceed sixty (60) minutes). holiday, i.e., seven (7) hours, as applicable, included in the regular biweekly gross pay), and compensatory time off at the employee's regular rate of pay for all hours of work on the holiday.

Payment shall be computed and paid in 15-minute units actually worked beyond the normal scheduled work week. "Annual regular salary" shall include educational, assignment and longevity differential, service increments and longevity increments, if any.

(d) Hourly employees in the titles of College Assistant, Disability Accommodations Specialist and Sign Language Interpreter, who have completed three (3) years of 500 assigned work hours may be permitted to use approved annual and/or sick leave as it accrues.

(e) Hourly employees, including employees in the titles of College Assistant, hourly Disability Accommodations Specialist and Sign Language Interpreter, may carry over sick leave hours accrued after completing the required 500 work hours in the previous fiscal year, and can thereafter use the carried over sick leave balance in the current fiscal year.
Section 4.

By June 1st of each year all full-time employees shall be given an annual statement of all leave balances as of a date within the previous 90 days (sick leave, annual leave, compensatory time). This Section 4 shall also apply to part-time and/or hourly employees.

Section 5.

(a) (i) A full-time employee shall accrue one (1) day of sick leave for each month of creditable employment. Except as provided in Section 5(a)(ii), sick leave shall be used only for personal illness of the employee. Approval of sick leave is discretionary with the College or University and proof of disability must be provided by the employee, satisfactory to the College or University.

(ii) Notwithstanding the provisions of Section 5(a)(i), employees may use three (3) days of their accrued sick leave balance per year, i.e., September 1 through August 31, for the care of an ill family member. The term “family” will be defined as that contained in CUNY’s Family Medical Leave Act (FMLA) policy which shall include son, daughter, spouse, registered domestic partner, and parent. Sick leave taken pursuant to said schedule of treatment shall be deemed documented.

An hourly employee shall be required to demonstrate that the medical appointments cannot be scheduled at a time other than when the hourly employee is scheduled to work.

(g) The medical documentation required by this Section shall be from a health practitioner licensed by the state in which he or she practices to diagnose and certify illness or disability. When an employee has been recommended for relief from duty by a medical practitioner acting on behalf of a College or the University, the time granted shall be considered documented sick leave for the day of the relief from duty only, unless otherwise specified by the College's or University's practitioner.

Section 6.

The number of sick leave allowance days permitted to accumulate shall be unlimited.

Section 7.

CUNY has established a Dedicated Sick Leave Program and Catastrophic Sick Leave Bank Program modeled after the programs promulgated by the City of New York. These programs are available to eligible full-time CUNY employees, as set forth in the titles listed in Article I, Section 1, who meet the eligibility criteria.
Section 8.

An employee’s annual leave shall be changed to sick leave during a period of verified hospitalization. When an employee is seriously disabled but not hospitalized while on annual leave, after the employee submits proof of such disability which is satisfactory to the president or his or her designee, such leave time may be charged to sick leave and not to annual leave at the employee’s option.

This Section shall apply to hourly employees.

Section 9.

Upon the determination by a College President or the person designated by the College President that an employee has been physically disabled because of an assault arising out of and in the course of the employee’s employment, the College President will grant the injured employee a leave of absence with pay not to exceed eighteen (18) months. Such leave with pay shall be granted only if:

(1) The Worker’s Compensation Division of the New York City Law Department, or other University agent for Worker’s Compensation advises the College in writing that the employee’s injury has been accepted by the Division as compensable under such law, or if such injury is accepted by the Division as compensable under such law; or

(2) Upon appeal from a decision by the Division or other University agent, the Worker’s Compensation Board determines that such injury is compensable under such law.

If a permanent employee who has five (5) years or more of service does not have sufficient leave credit to cover his/her absence pending a determination by the Worker’s Compensation Division of the New York City Law Department, the college president shall advance the employee up to forty-five (45) calendar days of paid leave. In the event the Worker’s Compensation Division of the Law Department does not accept the injury as compensable under the law or the Worker’s Compensation Board determines that such injury is not compensable under such law, the employee shall reimburse the University for the paid leave advance.

If an employee is granted a leave of absence with pay pursuant to this Section, the employee shall receive the difference between the employee’s weekly salary and the employee’s Worker’s Compensation rate without charge against annual leave or sick leave. The employee shall, as a condition of receiving benefits under this Section, execute an assignment of the proceeds of any judgment or settlement in any third party action arising from such injury, in the amount of the pay received pursuant to this Section and medical disbursements, if any, made by the College or University, but not to exceed the amount of such proceeds. Such assignments shall be made in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by the Worker’s
Compensation Division of the New York City Law Department or by the University, and when found fit for duty by the New York City Worker’s Compensation Board shall return to the University's employ.

No benefits shall be paid while an employee is suspended pending disciplinary action, or if an employee is subsequently found culpable of having commenced the assault or unnecessarily continuing the assault.

Benefits provided under this Section shall be in addition to but not concurrent with benefits provided under the University provision which corresponds to Section 7.0 and 7.1 of the New York City Career and Salary Plan Leave Regulations.

Section 10.

For employees who do not come under the provisions of Section 9 of this Article but who are injured in the course of employment, upon determination by a College President or the president's designee, that an employee has been physically disabled because of an injury arising out of and in the course of the employee’s employment, through no fault of the employee, the College President will grant the injured employee an extended sick leave with pay not to exceed three (3) months after all the employee’s sick leave and annual leave balances have been exhausted. This additional leave must be taken immediately following the exhaustion of such balances. Such leave with pay shall be granted only if:

(1) The Worker’s Compensation Division of the New York City Law Department, or other University agent for Worker's Compensation advises the College President in writing that the employee's injury has been accepted by the Division as compensable under the Worker's Compensation Law, or

(2) If, upon appeal from a decision by the Division or other University Agent, the Worker's Compensation Board determines that such injury is compensable under such law.

An injured employee shall immediately advise the College Director of Human Resources of any determinations he or she receives from the Worker's Compensation Board.

If the employee is granted extended sick leave with pay pursuant to this Section, the employee shall receive the difference between the employee's weekly salary and the employee's Worker's Compensation rate for the period of time granted. The employee shall, as a condition of receiving benefits under this section, execute an assignment of the proceeds of any judgment of settlement in any third party action arising from such injury, in the amount of the pay and medical disbursements received pursuant to this Section, but not to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the New York City Corporation Counsel. The injured employee shall undergo such medical examinations as are
requested by the Worker's Compensation Division of the New York City Law Department or by the University and when found fit for duty by the Worker's Compensation Board shall return to the University's employ.

Benefits provided under this Section shall be in addition to but not concurrent with benefits provided under the University provision which corresponds to Sections 7.0 and 7.1 of the New York City Career and Salary Plan Leave Regulations.

Section 11.

The University shall make every reasonable effort to require of its agent for Worker's Compensation matters that any employee who has filed a Worker's Compensation claim shall be notified within 45 days of the agent's receipt of such claim, as to whether the claim has been approved or disapproved by the agent.

Section 12.

Pursuant to New York City Mayor's Executive Order No. 34, dated March 26, 1971, "Regulations Governing Cash Payments for Accrued Compensatory Time on Death of an Employee While in the City's Employ," and adopted by the University herein, if an employee dies while in the College's or University's employ, the employee's beneficiary or if no beneficiary is designated, then the employee's estate shall receive payment in cash for the following:

a. All unused accrued annual leave to a maximum of fifty-four (54) days credit.

b. All unused accrued compensatory time earned and retained pursuant to this Agreement, verifiable by official college records, to a maximum of two hundred (200) hours.

This Section shall be applicable to hourly employees.

Section 13.

If an employee dies during the term of this Agreement because of an injury arising out of and in the course of the employee's employment through no fault of the employee, and in the proper performance of the employee's duties, a payment of twenty-five thousand dollars ($25,000) for full-time employees or ten thousand dollars ($10,000) for part-time per annum, hourly, per diem, per session or seasonal employees, will be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such a death. Such payment shall be made to the same beneficiary designated for the purposes of Section 12 of this Article, or if no beneficiary is so designated payment shall be made to the employee's estate.
Section 14.

If while in covered employment under the terms of this Agreement an employee dies, the University shall notify the beneficiary designated by the employee in the personnel folder as to what benefits may be available for the employee and as to where claims may be initiated for such benefits. The University shall promptly notify the appropriate retirement system and request it communicate with the beneficiary designated in the system’s records.

This Section shall be applicable to hourly employees.

Section 15.

(a) "Emergency Closings" shall be defined as authorized cancellation of classes due to weather, transportation, or other major emergencies. The University and the Union recognize that during such periods there is a responsibility to maintain service to the extent possible. Once each year, each College Director of Human Resources shall establish a minimum number of employees needed for emergency closing services and such employees shall be notified. Compensatory time off for the number of hours worked shall be granted to those who meet the emergency need, such time to be approved by the College Director of Human Resources and to be scheduled during the academic year in which the emergency occurs. Employees not on emergency assignment shall have their absences excused. Each College Director of Human Resources may suspend this provision if the required minimum is not maintained.

(b) Lateness caused by a verified major failure of public transportation, such as a widespread or total power failure of significant duration or other catastrophe of similar severity, shall be excused.

(c) The University shall continue to have a contingency plan or plans for operation during a major failure of public transportation which would cause disabled employees, as defined in the American with Disability Act (ADA) of 1990, great difficulty in reaching their regular work location. Such plan or plans shall include where practicable and productive, provisions assigning disabled employees to report to University locations closer to their homes. Such plan or plans shall also include provisions by the College President or designee to excuse absences of disabled employees on an individual basis. Decisions of the College President or his or her designee with respect to absences under such plans shall not be subject to the grievance procedure.
Section 16.

(a) The terminal leave provision for all employees except as provided in paragraphs (b), and (c), below shall be as follows:

Terminal leave with pay shall be granted prior to final separation to employees who have completed at least ten (10) years of service on the basis of one (1) day terminal leave for each two (2) days of accumulated sick leave up to a maximum of one hundred twenty (120) days of terminal leave. Such leave shall be computed on the basis of work days rather than calendar days.

(b) Any employee who as of January 1, 1975, has a minimum of fifteen (15) years of service as of said date may elect to receive upon retirement a terminal leave of one (1) calendar month (or 22 work days) for every ten (10) years of service prorated for fractional part thereof in lieu of any other terminal leave. However, any sick leave taken by such employees subsequent to July 1, 1974, in excess of an average annual usage of six (6) days per year shall be deducted from the number of days of terminal leave to which the employee would otherwise be entitled at the time of retirement, if the employee chooses to receive terminal leave under this paragraph.

(c) In the case where an employee has exhausted all or most of the employee’s accrued sick leave due to a major illness, the College President in his or her discretion, may apply two and one-fifth (2 1/5) work days for each year of paid service as the basis for computing terminal leave in lieu of any other terminal leave.

(d) Where an employee has an entitlement to terminal leave and the University’s fiscal situation requires that employees who are terminated, laid off or retired be removed from the payroll on or before a specific date because of budgetary considerations, the University shall provide a monetary lump sum payment for terminal leave in accordance with the provisions of New York City Mayor’s Executive Order 31, dated June 24, 1975, adopted by the University herein.

(a) Summer work week shall be a period of shorter workdays from the Monday following each College’s Spring commencement to September first.

(b) Shortened workday schedules shall not apply to employees who work in air-conditioned facilities, except that employees who normally do not have a shortened summer workweek, (i.e., employees who work in an air-conditioned facility) shall be dismissed one hour earlier than the normal dismissal time when the air-conditioning equipment is not working during the period covered by subsection 17a. The College may delay implementation of these provisions for 24 hours following the failure of air-conditioning equipment, in order to attempt necessary repairs.
(c) The shortened workday schedule shall not be required until an employee has completed one year of service.

(d) Employees who work shortened workday schedules as described in this Section are entitled to the meal allowances set forth in Section 8 of Article VIII, provided that such employees work a minimum of three (3) hours beyond the shortened workday schedule. An employee who qualifies for a meal allowance pursuant to this paragraph shall not count the first hour worked after the shortened workday schedule in computing the amount of the meal allowance to which the employee is entitled.

(e) 92 Degree Provision Applicable to Gittleson title personnel in Completely Non-Air-Conditioned Offices

For the period from the first Monday after the last scheduled commencement in the University through Labor Day (with the exception of registration or examination days), when at 2:00 p.m. the temperature for New York City and vicinity is reported by telephone call to the weather information service as 92 degrees or higher, employees in non-air-conditioned offices who cannot be accommodated in air-conditioned offices shall be released from work at 3:00 p.m. without charge to leave. This Subsection (e) applies only to employees in those titles identified in Article III Section 8 as the Gittleson group.

(f) 92 Degree Provision Applicable to Gittleson title personnel when Air-Conditioning is Broken

Employees who normally do not have a shortened summer workweek, (i.e., employees who work in an air-conditioned facility) shall be subject to the following provision when the air-conditioning equipment is not working during the period covered by Subsection 17a:

For the period from the first Monday after the last scheduled commencement in the University through Labor Day (with the exception of registration or examination days), when at 2:00 p.m. the temperature for New York City and vicinity is reported by telephone call to the weather information service for New York City as 92 degrees or higher, such employees who cannot be accommodated in air-conditioned offices shall be released from work two hours earlier than the normal (air-conditioned) dismissal time, but in no event earlier than 3 p.m.

A College may delay implementation of these provisions for 24 hours following the failure of air-conditioning equipment, in order to attempt necessary repairs.

(b) College Assistants, Sign Language Interpreters and hourly Disability Accommodations Specialists who work 500 or more hours in a fiscal year (July 1 to June 30) shall accrue leave credits as provided in subsection (c) below. By way of exception pertaining only to the titles of College Assistants, Sign Language Interpreters and hourly Disability Accommodations Specialist, hourly employees in these titles will be required to have completed three (3) year of 500 assigned work hours in order to utilize any sick leave earned as it accrues.

</tr>
</tbody>
</table>

College Assistants, Sign Language Interpreters, and hourly Disability Accommodations Specialists shall be permitted to utilize annual leave in order to maintain an average number of paid hours during weeks in which a holiday occurs, and to utilize annual leave during the school year, subject to the needs of the College.

   2. Payment of all annual leave remaining to the credit of any hourly employee under this Agreement at the end of his or her assignment or the end of the fiscal year, whichever comes first, shall be made in each regular pay period thereafter in shares based on not less than the average number of days and hours worked by the hourly employee per week during that fiscal year. The period for which such payments are made shall be a scheduled vacation period for such employee. However, payment for such scheduled vacation period may be made in a lump sum at the discretion of the College Director of Human Resources.

(b) A child care leave of absence without pay for a period not to exceed 48 months shall be granted to an employee (male or female) who becomes a parent of a child up to four years of age, either by birth or by adoption. However, in no case may the initial leave period, plus the one or two extensions, total more than the applicable maximum of forty-eight (48) months or thirty-six (36) months. The extensions of leave must be taken consecutively; and any employee returning to work before exhausting the allotted child care leave will be deemed to have waived the remaining child care leave under the provision of this Agreement.

granted to employees who, after final adjudication of proceedings under Section
210 (Prohibition of Strikes) paragraph 2(g) (Objections and Restorations) of the
New York State Civil Service Law are determined not to have been in violation of
Section 210.
ARTICLE X - TIME AND LEAVE VARIATIONS

This Article shall apply only to full-time employees who work other than a regularly scheduled standard work week consisting of five (5), seven (7) hour days.

Section 1.

A "holiday leave bank" shall be established for each employee covered under this Article. The bank shall be credited with seven (7) hours of holiday leave time as each holiday occurs.

Section 2.

The total holiday leave credits granted per annum shall not exceed 119 hours.

Section 3.

(a) When an employee does not work on one of the regular holidays, a number of hours equal to the number of hours in the employee's regularly scheduled work day shall be subtracted from the employee's "holiday leave bank."

(b) An employee who works on any of the regular holidays shall be compensated in accordance with Section 4 of this Article or the overtime provisions of this Agreement, whichever is applicable.

(c) When either the holiday or the day designated for observance occurs on any employee's scheduled day off and the employee does not work on such day, the employee shall accrue credits pursuant to Section 1 of this Article but no credits shall be deducted from the employee's "holiday leave bank" for such day.

Section 4.

(a) If an employee is required to work on any of the thirteen (13) scheduled holidays pursuant to Article VII of this Agreement, the employee shall receive a fifty percent (50%) cash premium for all hours worked on the holiday, and there shall be no deduction from the employee's "holiday leave bank."

(b) If a holiday designated pursuant to this Agreement falls on a Saturday or Sunday, the fifty percent (50%) cash premium shall apply only to those employees who are required to work on the Saturday or Sunday holiday. Employees required to work on the Monday or Friday designated by the College or University for holiday observance shall not have any time charged against their "holiday leave bank" as a result of the Saturday or Sunday holiday but shall not receive premium pay.

(c) With respect to an employee who is scheduled to work on both the Saturday and Sunday holiday and the day designated for observance: (1) If the employee is required to work on only one of such days the employee's "holiday leave bank" shall
be charged the equivalent of one day. Such employee shall receive the fifty percent (50%) cash premium when required to work on Saturday and Sunday; or (2) If the employee is required to work on both days, the employee shall receive the fifty percent (50%) cash premium for all the hours worked on the Saturday or Sunday holiday without any charge to the employee's "holiday leave bank."

(d) However, if the employee is required to work on a holiday which falls on the employee's scheduled day off, the employee may choose whether such holiday work is to be compensated by the fifty percent (50%) cash premium without charge to the employee's leave bank, or, if otherwise eligible, by the overtime provisions of Article VIII.

(e) An employee shall not receive for the same hours of work both (1) overtime pay and (2) the fifty percent (50%) cash premium without charge to the employee's "holiday leave bank." However, regardless of whether the holiday falls on a regular working day or on a scheduled day off, if the number of hours worked on such holiday exceeds the employee's normal daily tour of duty, all hours of work in excess of such normal daily tour of duty shall be covered by the overtime provisions of Article VIII.

(f) Shifts which begin during the 24 hour period from 12:00 midnight at the start of the day through 11:59 P.M. at the end of the day on a holiday shall be deemed to have been worked entirely on the holiday.

Section 5.

An employee may be advanced holiday leave credits consistent with the maximums set forth in Section 2 of this Article. Any resulting negative leave balance shall be charged against subsequent holiday accruals. If as of July 1st of any year an employee's "holiday leave bank" has a negative balance, said balance shall be charged against the employee's annual leave.

Section 6.

The "Annual Leave Allowance" shall accrue on an hourly basis. The rate of accrual shall be based on years of service and period of service of the respective employee as follows:

When layoff of employees is scheduled the following procedure shall be used:

(a) Notice shall be provided to the respective Union which represents the title in which such employees serve not less than 30 days before the effective date(s) of such projected layoff.

(b) Within such 30 day period, designated representatives of the University will meet and confer with the designated representatives of the respective Union with the object of considering feasible alternatives to all or part of such scheduled layoff, including but not limited to (1) the transfer of employees to other Colleges or New York City agencies with retraining, if necessary, consistent with Civil Service Law but without regard to the Civil Service title, (2) the use of Federal and State funds whenever possible to retain or reemploy employees scheduled for layoff, (3) the elimination or reduction of the amount of work contracted out to independent contractors and (4) encouragement of early retirement and the expediting of the processing of retirement applications.

(c) After meeting and conferring with the designated representatives of the respective Union, the University shall have the right, when necessary, to transfer any employee, in lieu of layoff, from one College to another. Such transfers shall be within title, the employee shall meet all the legal requirements of the new position and the transfer shall be made without loss in pay, benefits, or seniority to the affected employee. Within a title and college, employees shall be transferred in the following sequence:

1. Volunteers in order of title seniority.
2. Non-volunteers in order of title seniority among those who would otherwise have to be laid off in the layoff unit (retrenchment unit) from which the transfer is being made.

(d) In the meetings provided for in subsections b and c, the parties shall recognize that certain employees have Civil Service rights protected by Section 6207 of the New York State Education Law.

Section 2.

When layoff occurs, the University shall provide to the appropriate bargaining representative a list of employees who are on a preferred list with the original date of appointment utilized for the purpose of such layoff.
Section 3.

A laid off employee who is returned to service in the employee’s former title or in a comparable title from a preferred list, shall receive the basic salary rate that would have been received by the employee had the employee never been laid off, up to a maximum of two (2) years of general salary increases.

Section 4 - Full-time Non-Competitive Layoff Procedures

If budgetary restrictions, consolidations or abolitions of functions or other curtailment of activities result in the abolition of full-time non-competitive positions, layoff or suspension among the employees in the same title (class of positions) shall be made in inverse order of their original appointment to the City of New York, if such appointment occurred prior to July 1, 1979, or to the University in the subject class of positions.

The date of original appointment shall be the first date of appointment followed by continuous service up to the time of the abolition or reduction of positions.

An employee who had been terminated from a class of positions and who was reappointed in the same class of positions within one year thereafter, shall be deemed to have continuous service for the purposes of this Section.

For the purposes of this Section, neither a period of an authorized leave of absence without pay nor any period during which an employee is suspended from the employee’s position pursuant to this Section shall constitute an interruption of continuous service.

Layoff shall be made from among employees in the same class of positions in a layoff unit (retrenchment unit) in the University. The University may determine the layoff unit in accordance with the New York State Civil Service Law and the Rules of the CUNY Civil Service Commission and the Regulations of the Vice Chancellor for Human Resources Management.

Employees in affected titles in the layoff unit shall be laid off in the following order:

a. All employees in probationary status in the same title. Among them, layoff shall be in inverse order to date of original appointment.

b. All employees who have satisfactorily completed their probationary periods in the same title. Among them, layoff shall be in inverse order to date of original appointment.

In the event of layoff the University shall place the names of such employees on a preferred list together with others who have been suspended from the same class of positions. The University shall certify such list for filling vacancies in the same class of positions in the layoff unit from which the suspensions were made.
Persons on the list shall be called for reinstatement in the order of their original date of appointment and, upon the occurrence of a vacancy in an appropriate position in the layoff unit, shall be certified in seniority order.

The eligibility for reinstatement of a person on such a preferred list shall not continue for a period longer than four years from the date of separation.

Any person suspended or demoted prior to completing his or her probationary term shall be certified for reinstatement only after all other eligibles on the preferred list. A reinstated employee shall be required to complete his or her probationary term upon reinstatement.

Failure or refusal to accept reinstatement from a preferred list to any vacancy in the same class of positions shall be deemed a relinquishment of the employee’s eligibility and the employee's name shall be removed from the list.

A person reinstated from a preferred list to his or her former class of positions shall receive at least the same salary he or she was receiving at the time of suspension.

Notwithstanding any other provisions of this Section, the University may disqualify for reinstatement and remove from a preferred list the name of any eligible who is physically or mentally disabled for the performance of the duties of the position for which such list is established, or who has been guilty of such misconduct as would result in dismissal.
ARTICLE XVIII - VOLUNTARY INTERCOLLEGE TRANSFERS

The voluntary transfer of a full-time Sign Language Interpreters, and hourly permanent employee from one College to another shall be accomplished through the following procedure, and pursuant to the provision regarding voluntary Transfer Roster of the CUNY Civil Service Rules and Regulations:

Section 1 - Application for Transfer, Establishment of Roster

(a) Application for transfer shall be made by an employee by completing four copies of the transfer request form and distributing them to:

1. The University Director of Human Resources for Management Services
   Office of Human Resources Management Services (OHRM)
   Office of Human Resources Management
   205 East 42nd Street, 10th Floor
   New York, New York 10017, and

2. The Human Resources Director of the current College, and

3. The respective Union.

One copy is to be retained by the employee for his or her records.

(b) The University Office of Human Resources Management Services shall establish a transfer roster, by title and by level within each title, except as provided in Section 2, subsection b(1), for each College. Employees shall be listed in order of receipt of the request by the University Director of Human Resources for Management Services. In case of ties, the listing shall be made in order of seniority as a permanent employee of the University. All applications for a newly established College, if applicable, received by the University Director of Human Resources for Management Services within 30 days of a Board of Trustees resolution to establish that College, shall be considered on the basis of seniority alone.

All applications for transfer by employees in titles not previously covered by a transfer policy, which are received within 60 days of the signing of this Agreement, shall be considered on the basis of seniority alone.

(c) An employee shall be listed on the appropriate title/level roster if:

1. He or she has served at least two years at his or her present College:
   a) after appointment from a list, or
   b) after a voluntary transfer, or
2. He or she has served for at least one year after a promotion. Advancement to a higher assignment level, through designation by the College, shall be considered as a promotion for purposes of this Article and require an additional year of service unless transfer is at the previously held level, pursuant to Section 2(b). Where advancement to the higher level is mandatory upon the attainment of a specified period of service, such advancement shall not be a bar to immediate placement on the transfer roster; and

3. There is no disciplinary action pending or in process against him or her and no disciplinary penalties were imposed in the preceding 3 years; and

4. He or she did not have an unsatisfactory service evaluation during the immediately preceding 2 year period.

(d) An employee will be removed from a voluntary inter-College transfer roster for a period of three (3) years in the event of being found guilty of disciplinary charges and/or having pleaded “no contest” to disciplinary charges while on the transfer roster.

(e) An employee may have on file requests for transfers to up to three Colleges at the same time. Acceptance of a transfer to any one College shall automatically remove an employee from the roster of all other Colleges. Refusal to accept transfer for whatever reason shall automatically remove the employee from that College’s roster for eighteen (18) months.

(f) An employee who has been transferred from one borough to another because of layoff, and has applied for transfer back to his or her previous College, shall be given priority over employees who are at their present location for reasons other than layoff and over employees who are on a preferred list of employees who were laid off from the College to which transfer is sought.

(g) The existence of a promotion list with the names of three or more candidates in active service in the subordinate title at a College shall bar the use of a transfer roster to that College for that title. A promotion list established by merging college lists on a borough or university basis may be used interchangeably with a transfer roster, at the discretion of the College Director of Human Resources.

The existence of a preferred eligible list shall bar the use of a transfer roster for that title for transfer to the College from which any employee on the preferred eligible list was laid off, except as provided in Section 1, subsection (e).

(h) The existence of a transfer roster shall not be a bar to the reinstatement of a person at the college from which he or she has resigned. Persons seeking reinstatement at a College other than that of last employment shall not be considered ahead of any employee who was on the transfer roster for that College at the time the reinstatement was requested.
(i) An employee who is on a transfer roster at the time of taking a leave of absence shall be considered for transfer in roster order provided that the employee is able to return to active employment within the time limitations established in Section 2, subsection (e).

(j) An employee seeking transfer on the basis of hardship may request consideration of special placement on the transfer roster by letter to the respective Union and the University Office of Labor Relations. Such a request shall be subject to a joint labor-management review by the University and the respective Union. Decisions in such matter shall not be subject to the grievance procedure.

Section 2. Transfers

(a) Except as provided in Section 1, subsections (f) and (g) and except as provided in Section 2, subsections (b), and (g) below, each College shall be required to consider the transfer roster for a title to that College, if any, prior to filling any vacancy in the title. Transfer shall be made of one of the first three employees on the appropriate transfer roster, consistent with the provisions of this Article.

(b) The following provisions shall be applicable only to transfers in the following titles: CUNY Office Assistant, CUNY Secretarial Assistant and CUNY Administrative Assistant.

1. CUNY Office Assistants or CUNY Secretarial Assistants in Levels II, III, or IIIa, shall be included on a single transfer roster for each title without regard to level.

2. Any CUNY Office Assistant or CUNY Secretarial Assistant who has been advanced from Level II to Level III of that title with fewer than 5 years of service may specify that he or she is available for transfer at Level III only, or may indicate availability to transfer at Level II or Level III. The Director of Human Resources of the appointing College may pass over a "Level III only" designated candidate if the Director of Human Resources determines that the College prefers to fill the position in question at Level II. Section 3 subsection (b)2 shall apply to an employee who elects to accept transfer, and is transferred at Level II. An employee who elects to accept a transfer at Level II shall in any event be restored to Level III on his or her fifth anniversary. If the transfer occurs at Level II, the transferee's salary shall be no less than it would have been had all service at Level III been at Level II.

3. Any CUNY Office Assistant or CUNY Secretarial Assistant who was advanced to Level IV of that title may specify that he or she is available for transfer at Level IV only, or may indicate availability to transfer at Level III or Level IIIa, if applicable, as well, whichever was his or her rank prior to advancement to Level IV. If the transfer occurs at Level III or IIIa,
if applicable, the transferee’s salary shall be no less than it would have been had all service at Level IV been in the level prior to advancement. A position previously filled at Level IV may be refilled at that level or such other level as the College may determine.

4. Any CUNY Administrative Assistant who was advanced to Level II through designation by the College may specify that he or she is available for transfer to Level II only, or may indicate availability for transfer at Level I. If the transfer occurs at Level I, the transferee’s salary at Level Ia, Ib or Ic shall be no less than it would have been had all service at Level II been at Level I.

(c) When a vacancy is to be filled, those employees whose names have been reached shall be interviewed by the Director Human Resources of the receiving College, in order to make the selection pursuant to Section 2 subsection (a), and to establish such "mechanics" as the date of transfer and to help determine a specific assignment. It is understood, however, that the Director of Human Resources may not be able to indicate the specific assignment prior to the actual reporting date. An employee shall not be entitled to choose his or her assignment in the receiving College. Intra-college transfers shall continue to have preference in the filling of particular assignments.

(d) An employee may decline transfer to a particular College for any reason within the 24 hour period immediately following an offer of a position. Such declination shall be in writing, but a telephone refusal or verbal refusal given to his or her College Director of Human Resources and to the interviewing Director of Human Resources shall be sufficient to permit the interviewing Director of Human Resources to continue to recruit and hire for the position in question.

(e) Use of the existing transfer roster for a College shall not be mandatory to fill vacancies in positions identified as confidential pursuant to Article I, Section 3 of this Agreement.

(f) The transferring employee shall start working at the new location no later than 5 weeks from the date of interview unless an unusual situation requires an extension. An extension shall be permitted only with the consent of both College Directors of Human Resources, the transferring employee and the respective Union.

(g) A transfer need not be made pursuant to this Section if:

1. The sending College is barred from refilling the position by the State of New York, the City of New York or the University; or

2. More than 5% of the employees at the sending College in the title involved, or two employees at such College in that title, whichever is greater, have transferred from the College within that fiscal year; or
3. The employee has received an unsatisfactory service evaluation during the two year period immediately preceding the reaching of his or her name on the transfer roster.

4. If a College has been granted permission to use a civil service list prior to using a CUNY transfer roster, such permission shall be in accordance with Regulation 7.1.4 (b) (Voluntary Transfer Roster) of the Regulations of the Vice Chancellor for Human Resources Management which permits prior use of a Civil Service list during a period, not to exceed 90 days, following the establishment of the civil service list, when use of such list would enhance implementation of the College's affirmative action plan, or when 10% of the vacancies in a title have been filled through the use of the transfer roster following the establishment of the Civil Service list.

Section 3. Trial Period

(a) There shall be a three month trial period for transferred employees.

(b) 1. At the end of that period (or earlier if acceptable to all parties) the employee may be returned to his or her previous College either at the employee's own initiative or that of the Director of Human Resources of the receiving College without penalty. The trial period may be extended for 30 days or more if acceptable to all parties concerned, as enumerated in Section 2, subsection (f).

2. An employee covered by Section 2 (b)2 shall be advised by the Director of Human Resources of the receiving College at the end of the 3 month trial period whether the College will retain the employee and at which level, Level II or Level III. The employee may then determine if he or she wishes to remain at the receiving College at the level which is offered or return to the previous College and previous level, Level III.

(c) If an employee returns, the previous College shall restore the employee to his or her title/level and salary but not necessarily to the shift or assignment held before transfer.

(d) In any instance where an employee is returned by the receiving College and upon the written request of the employee which is made within 15 work days of notice of the decision to return the employee, the College Director of Human Resources shall furnish to the employee a statement of the reason(s) for the return. The employee and/or the respective Union may request a joint Labor-Management review of the decision by the University and the respective Union.

(e) A decision to return an employee to his or her previous College shall not be subject to the grievance procedure.
ARTICLE XIX - LABOR-MANAGEMENT COMMITTEE

(a) There shall be a Labor-Management Committee for all employees.

(b) The Labor-Management Committee shall consider University developments and consider and attempt to resolve University problems related to the terms and conditions of employment and shall, when appropriate, recommend to the Chancellor, through the Vice Chancellor for Labor Relations, changes in working conditions of employees.

(c) The Labor-Management Committee shall meet monthly when practical, except during July and August, or at the call of either the Union members or the University members, at times mutually agreeable to both parties. Minutes of agreements and formal actions shall be kept and copies supplied to all members of the committee.

(d) For purposes of voting, the Labor-Management Committee shall consist of ten (10) members. The Union shall designate five (5) members and the University shall designate five (5) members. The position of Chairperson of the committee shall alternate between the members designated by the University and the members designated by the Union. The committee shall make any recommendations to the Chancellor, through the Vice Chancellor for Labor Relations, in writing.

(e) Nothing contained herein shall preclude a respective Union from meeting separately with University representatives.

1. Any College Assistant, Sign Language Interpreter or hourly Disability Accommodations Specialist who applies for a position as a College Assistant or Sign Language Interpreter or hourly Disability Accommodations Specialist at a second College within the same fiscal year (July 1 to June 30), during which he or she worked at another College shall advise the Director of Human Resources and the interviewing supervisor of the second College of the number of hours he or she has worked that year and the number of hours of sick and annual leave to his or her credit. The hours worked at both Colleges shall be combined for purposes of the threshold for leave credits and the maximum hours of work limitation. The Director of Human Resources of the second College may require that the appropriate portion of accrued annual leave be paid by the first College. At the sole option of the Director of Human Resources at the second College, annual leave for the hours earned in the same fiscal year may be paid by the second College.

Section 8. Disciplinary Review

A College Assistant, Sign Language Interpreter, or hourly Disability Accommodations Specialist whose appointment or reappointment is terminated for a reason other than lack of work or lack of funds and who has worked 500 or more hours in each of the preceding nine (9) contract years, shall have the right to a disciplinary review by the College Director of Human Resources of the decision to terminate his/her employment with the College.

b. A College Assistant, Sign Language Interpreter, or hourly Disability Accommodations Specialist whose employment is terminated for a stated reason relating to his or her misconduct, and who has met the disciplinary review criteria set forth in Section 8(a) above, shall have the right to a disciplinary review of the decision to terminate, provided he or she makes such a request in writing within ten (10) work days of his or her becoming aware of such decision. Employees may not be compensated for more than one shift during any one continued period of emergency closing unless during that period an official college source released information erroneously that the College would reopen.

Section 11.

The University and the respective Union representing College Assistants, Sign Language Interpreters and hourly Disability Accommodations Specialist recognize as a problem the impact of agency shop fees on those College Assistants, Sign Language Interpreters and hourly Disability Accommodations Specialist who work a minimal number of hours per pay period, and agree to seek a procedure which will mitigate such impact.

(a) No permanent employee in the bargaining unit who has completed the probationary period and no provisional or non-competitive employee who has earned disciplinary rights in his or her provisional or non-competitive position shall be disciplined except for incompetency or misconduct.

(b) The forms of discipline shall include, but not be limited to, a written reprimand, a fine not to exceed $200, demotion, suspension not to exceed 60 days without pay, termination.

(c) The procedures in this Article shall be the exclusive procedures for disciplinary action and resolving disputes relating to such disciplinary action.

(d) Effective January 1, 1991, for titles represented by District Council 37, and effective 3 months from such date thereafter as a respective union, other than DC37, has become a signatory to the agreement to so extend disciplinary rights, provisional full-time employees who have served at the same College of The City University of New York (CUNY) continuously for two years in the same or similar titles listed in Article I, Section 1 of this Agreement, or in titles which are in a related occupational group, shall be subject to the procedures of this Article. In determining if a provisional employee has completed two years of continuous service, the following additional terms shall apply:

Any period off payroll of more than 31 days shall break continuous service. No periods off payroll shall count towards the two-year eligibility. Time on an official leave without pay or time off payroll for fewer than 31 days shall not count towards the two year requirement, but will not break continuous service. An employee appointed to and serving in a different title in a different occupational group shall not be entitled to the disciplinary rights set forth herein by virtue of service in a prior title. Provisional rights acquired in another civil service jurisdiction shall not apply to an employee hired by The City University of New York. Disciplinary rights can only be obtained in a subsequent permanent appointment after serving the established probationary period.

(e) Extension of disciplinary rights to certain provisional or non-competitive employees shall not diminish the right of a College to reassign employees or terminate the employment of a provisional or non-competitive employee for reasons other than incompetency or misconduct.

(f) These procedures supersede any preexisting procedures and forums.

(g) For the purpose of this Article, the term "Union" shall mean respective Union.
Section 2. Initiating a Disciplinary Action

Other than in exceptional situations requiring immediate action, such as, but not necessarily limited to, those involving potential injury to persons or property or unreasonable disruption of University operations, if a College has cause to believe an incident has occurred or circumstances may exist warranting disciplinary action, it shall investigate such incident or circumstances prior to taking disciplinary action. As part of the investigation, the College shall make reasonable efforts to interview any employee(s) who may be subject to disciplinary action. In those exceptional situations requiring immediate action, as described above, an employee may be immediately suspended. Such a suspension without pay pending a decision of the hearing officer may not exceed 30 days except where the charges relate to the alleged commission of a criminal offense relating to employment, in which case the suspension may continue until completion of the Criminal Court procedures, and in which case the suspension will be reviewed periodically at the request of the employee and/or the Union.

An employee who is being interrogated concerning an incident or action which may subject him or her to disciplinary action shall be notified of his or her right to have a Union representative present upon request. This provision shall be applicable to interrogation before, during, or after filing a charge against an employee. The provisions of this Section shall not be interpreted to prevent a supervisor from questioning an employee in relation to his or her employment nor to preclude the questioning of an employee during or immediately following an incident.

In cases involving attempted or actual acts of violence or threats of violence in the workplace, the First Step of the disciplinary procedure shall be bypassed and the disciplinary procedure shall proceed directly to the Second Step.

In cases of disciplinary action against a CUNY Central Office employee, the First Step of the disciplinary procedure shall be bypassed and the disciplinary procedure shall proceed directly to the Second Step.

Section 3. Disciplinary Charges

Following an investigation, if it is necessary in the judgment of the College to charge an individual employee with incompetency or misconduct, the college official vested with such responsibility shall furnish the employee with a written statement of the charges, specifications and possible penalties. An informational copy shall also be sent to the Union. The statement shall be hand-delivered to the employee or sent by "Certified Mail -- Return Receipt Requested" to the employee’s last address on file at the College. The statement shall indicate the date, time and place, within ten days, for the first step hearing at the College. The statement shall also indicate the employee’s right to representation at such hearing.
A. **First Step**

The hearing officer shall issue a written decision with regard to the charges and shall state the disciplinary penalty, if any, within ten working days of the conclusion of the hearing, or record closed by the Hearing Officer, whichever is applicable. The College may implement a penalty, other than termination, upon issuance of the Step One decision.

The decision shall inform the Respondent employee that he or she may accept the penalty or appeal to the Chancellor’s Designee for a Step II hearing within 10 calendar days of the receipt of the Step I decision. Unreturned mail shall be presumed to have been received on the date following transmittal. The appeal must state what choice the employee has made between the two final review options: a) review by an arbitrator, or b) review by the City University Civil Service Commission. Choice of arbitration as a final step may be made only with the concurrence of the Union.

In the event such a request is not filed within the time limit, the Step I decision shall be deemed to have been accepted and except as otherwise provided in Section 4 of this Article, no issue stemming from or relating to the disciplinary action shall be subject to any further appeal.

A Step I decision to terminate employment shall be effective upon failure to appeal to Step II.

B. **Second Step**

A Step II hearing shall be scheduled within fifteen (15) working days of receipt of a request by the Chancellor’s Designee. A written decision shall be delivered to the Union and the Respondent employee within fourteen working days from the conclusion of the Step II hearing, or record closed by the Hearing Officer, whichever is applicable.

A Step II decision to terminate employment shall be effective upon issuance of the Step II decision by the Chancellor’s Designee.

Within thirty (30) working days of receipt of the Chancellor’s Designee’s written decision at Step II, the Union may make a written request for arbitration, or within thirty (30) working days of receipt of the Chancellor’s Designee’s written decision at Step II, the Union may make a written request for review by the CUNY Civil Service Commission, or the employee may make a written request for review by the CUNY Civil Service Commission, in accordance with the choice indicated when the appeal of the First Step decision was filed. Unreturned mail shall be presumed to have been received on the date following transmittal.

Any disciplinary decision at or above step two and any appeal of a disciplinary decision may be resolved by settlement agreement only if agreed to in writing by
The University Office of Labor Relations, the employee and an authorized representative of the respective union.

C. Third Step (Arbitration)

A request for arbitration shall be made to the American Arbitration Association with a copy of such request sent to the Chancellor’s designee by Certified mail.

The Association shall designate an arbitrator from the CUNY Classified Staff arbitration panel agreed to by the parties (excluding the titles of Staff Nurse and Nurse Practitioner represented by The New York State Nurses Association) and shall notify the Union and the Chancellor’s designee of the arbitrator named. In cases involving termination of employment, the date of the arbitration shall be within fourteen calendar days of receipt of notification by the arbitrator of his or her appointment.

The arbitrator is authorized to make awards as to arbitrability.

All arbitrations shall be based upon the official rules of the American Arbitration Association.

In cases involving termination of employment, the arbitrator shall issue his or her award within 14 calendar days of the termination of the arbitration proceedings.

The arbitrator’s award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. An arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations of this Agreement and any applicable limitations of law.

In any arbitration under this Section, the arbitrator may apply either the standard of "preponderance of the evidence" or the standard of "clear and convincing evidence" in determining whether the University has met its burden of proof.

D. Third Step (Civil Service Commission)

Appeal to the CUNY Civil Service Commission shall be on the basis of the record at Step II and decisions established at Step I and Step II. The employee and/or the Union shall state the basis for their appeal in their request or within thirty (30) working days following their request unless otherwise provided by the rules of the commission. A copy of such communication shall be sent to the Chancellor’s Designee. The University may respond in writing within 10 working days of receipt of the statement of the basis for the appeal.

The CUNY Civil Service Commission, at its discretion may consider oral or written arguments based on the record and the Commission, or its designated Hearing *See Appendix E(1) and E(2).
Review Officer, shall hear and consider any new evidence not in existence at the time of the Step II hearing which may effect its determination. The Commission may provide for and direct such relief as it deems necessary and proper, subject to the limitations of this Agreement and any applicable limitations of law.

Section 4. Disciplinary Procedure for Job Abandonment

In accordance with an agreement reached between the University and the respective unions, effective August 25, 2016, the colleges are allowed to implement the penalty of termination at the college level in cases where (i) an employee has been absent without authorization and has failed to notify or communicate such absence in the manner prescribed by the College Director of Human Resources for a period of fifteen (15) or more consecutive work days; and (ii) has failed to respond to follow-up correspondence sent to the employee by the College’s Office of Human Resources via regular and overnight mail, advising the subject employee of his/her job abandonment status, within five (5) work days of its receipt.

In the event that an employee responds after the effective date of his/her termination, an appeal may be filed by the union within twenty (20) work days of the date that the subject employee was terminated by the college. The appeal will be heard at Step II in accordance with the procedures contained in Section 3 of the disciplinary procedure. An appeal not filed within the time frame set forth herein will be deemed waived and not subject to any further appeal.

Section 5. Miscellaneous

(a) If the University exceeds any time limit in this procedure, the employee and/or the Union may initiate the next step, provided that only the Union may request arbitration.

(b) Written reprimands shall be appealable up to but not beyond Step II of this procedure.

(c) All time limitations in this procedure are subject to waiver by mutual consent except that failure to file an appeal within the prescribed time limits shall indicate an acceptance of the decision.

(d) The party (Union or Respondent employee being disciplined) who files a disciplinary appeal to Step II shall be deemed the primary representative of the Respondent employee being disciplined for purposes of such Step II procedural matters as correspondence, scheduling, settlement discussions, etc.

(e) The costs and fees of arbitration shall be borne equally by the Union and the University. Consistent with Article IX, Section 21 of this Agreement, expenses of witnesses shall be the responsibility of the party calling such witnesses. The decision or award of the arbitrator shall be final and binding in accordance with applicable law.
(f) Full time employees in the non-competitive title of Staff Nurse shall be entitled to disciplinary rights under this Article upon completion of one (1) year of service.
ARTICLE XXX - GRIEVANCE PROCEDURE

Section 1. Definitions

The term "grievance" shall mean

(a) a dispute concerning the application or interpretation of the terms of this collective bargaining agreement;

(b) a claimed violation, misinterpretation, or misapplication of the rules or regulations of the University, or written policies or orders applicable to the University related to terms and conditions of employment; provided that disputes involving the rules and regulations of the New York City Personnel Director, acting pursuant to The City University’s delegation authorized in Section 6207 of the New York State Education Law, or disputes involving the rules of the CUNY Civil Service Commission and the regulations of the Vice Chancellor for Labor Relations shall not be subject to the grievance procedure or arbitration;

(c) a claimed assignment of employees to duties substantially different from those stated in their job specifications;

(d) a claimed improper holding of an open competitive rather than a promotional examination.

For purposes of this Article the term "Union" shall mean "respective Union."

Section 2. Filing

Grievances may be filed by an employee on his or her own behalf (subject to the provisions of this Article), by the Union on its own behalf or by the Union on behalf of any employee or group of employees. Grievances involving employees in more than one College may be filed by the Union initially at Step 2 of the grievance procedure. A grievance must be filed by an employee and/or the Union within 120 calendar days after the date upon which the grievance arose. Any grievance not processed within the time limits specified shall be deemed waived by the grievant.

The grievance shall cite the section(s) of this Agreement, or substance of the rule, regulation, policy or order, which is alleged to be violated, misinterpreted, or misapplied. The grievance may also state a remedy or remedies sought, which shall not be binding.

All grievances must be presented in writing at all steps in the Grievance Procedure. For all grievances as defined in Section 1(c), monetary awards shall not cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work.
Section 3. The Grievance Steps

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such discussions are unsatisfactory, or if such a discussion does not occur, the employee may present the grievance at Step I.

STEP I

The employee and/or the Union shall present the grievance in the form of a memorandum or on a grievance form used by the Union, to the person designated for such purpose by a President no later than 120 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The person designated by the President to hear grievances shall take any steps necessary to a proper disposition of the grievance and shall issue a decision in writing to the grievant and the Union by the end of the tenth work day following the conclusion of the grievance discussion or record closed by the Hearing Officer, whichever is applicable.

STEP II

An appeal from an unsatisfactory decision at Step I shall be presented in writing to the Chancellor's designated representative who shall not be the same person designated in Step I. The appeal must be made within seven (7) work days of the receipt of the Step I decision and shall include a copy of the Step 1 decision. The Chancellor's designated representative shall meet with the employee and/or the Union for review of the grievance and shall issue a decision in writing by the end of the fourteenth work day following the date on which the grievance discussion was concluded, or record closed by the Hearing Officer, whichever is applicable. The party (union or individual grievant) who files at the second step shall be deemed the primary representative of the grievance for purposes of such Step II procedural matters, namely, correspondence, scheduling, settlement discussions, etc.

STEP III

An appeal from an unsatisfactory decision at Step II shall be brought solely by the Union for impartial arbitration, within thirty (30) work days of receipt of the Step II decision or within thirty (30) days of the expiration of the time limit for transmission of the Step II decision, by serving notice to the American Arbitration Association. The Association shall designate an arbitrator from the CUNY Classified Staff arbitration panel* agreed to by the parties and shall notify the Union and the Chancellor's designee of the arbitrator named. A copy of such notice shall be sent to the Chancellor's designee by certified mail, return receipt requested. In addition, the University shall have the right to bring directly to arbitration any dispute between the parties concerning any matters defined herein as a "grievance." The University

* See Appendix E(1), and E(2).
shall commence such arbitration by submitting a written request therefor to the American Arbitration Association. A copy of such notice shall be sent to the Union by certified mail, return receipt requested. An arbitration shall be conducted in accordance with the Consolidated Rules of the American Arbitration Association. The costs and fees of such arbitration shall be borne equally by the Union and the University. Consistent with Article IX Section 21 of this Agreement, expenses of witnesses shall be the responsibility of the party calling such witnesses. The decision or award of the arbitrator shall be final and binding in accordance with applicable law and the arbitrator shall not add to, subtract from or modify any contract, rule, regulation, written policy or order mentioned in Section I of this Article.

Section 4.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the employee or employees and the Union shall be required to file with the Vice Chancellor for Labor Relations a written waiver of the right, if any, of the employee or employees and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator’s award.

Section 5.

A grievance filed pursuant to this Article may be resolved by settlement agreement only if agreed to in writing by The University Office of Labor Relations and an authorized representative of the respective union.

Section 6.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at Step II of the Grievance Procedure; or if a satisfactory Step III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at Step III of the Grievance Procedure.

Section 7.

If the University exceeds any time limit prescribed at any step in the Grievance Procedure, and there is no agreement between the parties for a waiver of such time limit, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under Step III.
Section 8.

The University shall notify the Union in writing of all grievances filed by employees, all grievance discussions, and all determinations. The Union shall have the right to have a representative present at any grievance discussion and shall be given forty-eight (48) hours notice of all grievance discussions.

Section 9.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 10.

The parties agree that Section 1(c) of the grievance procedure shall be available to any employee who claims to be aggrieved by an alleged assignment of any person in a classified title in University’s employ, whether within or without this bargaining unit, to duties consistent with the job specification for the title of the grievant but substantially different from the duties stated in the job specification for the title held by such person in University employ. Light duty assignments of permanent classified persons in University employ, within or without such designated unit, who have been certified by the appropriate procedures, shall be excluded from this provision. Such grievance may be taken directly to the third step of the grievance procedure upon the election of the respective Union.
ARTICLE XXXI - FINANCIAL EMERGENCY ACT

The provisions of this agreement are subject to applicable provisions of law, including the New York State Financial Emergency Act for the City of New York as amended.
ARTICLE XXXII - SAVINGS CLAUSE

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.
ARTICLE XXXIII - APPROVAL AND PAYMENT OF AGREEMENT

This Clerical Administrative and Professional Unit Agreement is subject to approval in accordance with applicable law.

In the event that any payment is not paid on the date due under this Agreement, such payment when made shall be paid retroactive to such due date.
ARTICLE XXXIV - RESOLUTIONS

This Agreement shall constitute and be deemed a complete adjustment and settlement of all demands and items presented, and as to all of such demands and items there shall be no further collective bargaining for effectiveness during the period from August 1, 2009, to December 15, 2017, the termination dates of certain respective union agreements and economic provisions contained herein notwithstanding.

Except as otherwise provided herein any further collective bargaining between the Union and the University during the term of this Agreement shall be limited to a matter within the scope of collective bargaining where (a) the matter was not specifically covered by the Agreement or raised as an issue during the negotiations out of which such Agreements arose, and (b) there shall have arisen a significant change in circumstances with respect to such matter, which could not reasonably have been anticipated by both parties at the time of the execution of such agreement.

### J. Promotion-Advancement Guarantee

1. An employee when promoted to CUNY Administrative Assistant, Level 1A, shall receive either the indicated minimum basic salary for that title or the rate received or receivable in the CUNY Office Assistant or CUNY Secretarial Assistant title, plus the promotion guarantee, whichever is greater. The promotion guarantee shall be $665 as of the June 30, 1984, and is to be adjusted by the percentage increases of the MCEA.
If the addition of the promotion guarantee to an employee's prior rate results in a salary higher than the Level 1A or 1B rate for CUNY Administrative Assistant, the employee shall remain at such salary (plus any applicable MCEA adjustment) until, following 12 months at Level 1A or 25 or 30 months at Levels 1A and 1B combined (whichever is applicable pursuant to section 3C (2) above), a higher salary rate for the next higher level shall take effect.

2. An employee when assigned to a higher level within a "new Gittleson title" shall receive for the period of such higher level assignment, except as provided otherwise in section D above, either the indicated minimum basic salary of the assigned level or the rate received or receivable in the former assignment level plus the Advancement Guarantee specified below, whichever is greater. An assignment to a higher level shall not be considered a promotion.

The Advancement Guarantees indicated are as of June 30, 1984 and are to be adjusted by the percentage increases of the MCEA.

K. Effect of Reclassification on Individual Salaries

Gittleson title employees who are reclassified shall have salary rates computed on the basis of paragraphs F, G, H, I, and J of this Section 3. Any employee whose salary rate in a Gittleson title is above that of the new Gittleson title, including level and service increase indicated by such paragraphs, shall "convert" at his/her Gittleson title rate, plus general increases pursuant to the MCEA, until such time, if any, that the "new Gittleson" title rate would be greater, at which time such "new Gittleson" title rate shall apply. No salary shall be reduced as a result of reclassification from a "Gittleson" title to a "new Gittleson" title.

4. Revision of Job Descriptions

Duty and qualification requirements for "new Gittleson" titles shall be established to reflect the restructuring of the "Gittleson" titles. The operation of word processing equipment, electronic data processing terminals and equipment, and personal computers in the performance of
their duties shall be incorporated into such duty descriptions.

5. **Revision of Statute**

The Union and The University shall support the passage of any clarifying amendment to Article 125, Sections 6210 and 6220, of the New York State Education Law that is consistent with this agreement, including the repeal of sections 6210 and 6220.

6. **Savings Clause**

In the event that any provision of this Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

Wherefore we have set our hands this twelfth day of March, 1986.

MEMORANDUM OF AGREEMENT

Agreement entered into this 26th day of August, 1988, by and among The City University of New York (hereinafter "The University") and District Council 37, AFSCME, AFL-CIO on behalf of its affiliated Local 384 (hereinafter "The Union")

WITNESSETH:

WHEREAS, THE Union and the University have reached an agreement regarding modification of two Memoranda of Understanding between the parties, each dated the twelfth day of March, 1986, and wish to express that agreement in written form.

Now, Therefore, it is mutually agreed by and among the parties hereto as follows:

First: The Memorandum of Understanding dated March 12, 1986, regarding the restructuring of the Gittleson series titles, shall be modified as follows:

1. Effective July 1, 1987, section 3(c)2 shall be modified in order that movement from Level 1b to Level 1c of the title CUNY Administrative Assistant shall be after 25 months of service in Level 1 of that title, including 13 months of service at Level 1b.
2. Effective July 1, 1988, the minimum rates in effect for CUNY Administrative Assistants (Level 1c) who have completed 20 and 25 years of service shall be not less than $750 greater than the minimum rate for employees in that title and level who have completed 15 and 20 years of service, respectively, i.e.:

- 20 year rate - $27,494
- 25 year rate - $28,244

3. Effective July 1, 1988, the maximum for positions at each college in the title CUNY Administrative Assistant-Level II shall be increased to 7% of the total number of "New Gittleson" title employees at that college.

Second: The University undertakes to assure that the number of filled Gittleson title positions in the University on September 30, 1990, shall be no less than thirteen point six percent (13.6%) of the number of full-time filled positions in the University on that date, and that in no case shall the number of Gittleson title positions be fewer than 2026. The thirteen point six percent (13.6%) figure shall not be interpreted as a cap on the number of positions that can be filled by employees in gittleson titles.
Third: For employees with 15 years of Gittleson title service on or before July 1, 1988, who received no salary adjustment upon conversion from an "old Gittleson" title to a "new Gittleson" title effective July 1, 1984, other than the 5% General Increase provided by the Coalition Economic Agreement and who remain in the same title and level to which they converted (Level 1a, 1b, and 1c of the CUNY Administrative Assistant title is considered the same level for this purpose), the 1987-90 White Collar Agreement shall include provision for a Special Adjustment effective July 1, 1988.

Such Special Adjustment shall be $500 minus the difference found by subtracting 1.218 times the employee's salary on June 30, 1984 from the salary rate projected to be in effect for the employee on June 30, 1988.

Fourth: The Memorandum Of Understanding dated March 12, 1986, regarding settlement of the lawsuit initiated by the Union shall be modified as follows:

1. Paragraphs "Third", and "Fourth" shall be replaced by a new paragraph "Third/Fourth", which shall read as follows:
"Third/Fourth" No later than March 12, 1989, each position filled by an employee whose duties are found to be or both parties agree are not appropriate to the instructional staff titles High Education Aide or Assistant to Higher Education Officer at the time of the classification review shall be red-circled. When a position which has been "red-circled" is to be refilled, it shall first be reclassified to the title and level appropriate to the duties to be performed therein. In the event that, in the college's view, the anticipated duties are sufficiently different from the duties performed when the position was red circled so as to make the position no longer a "Gittleson" title position, the college shall supply a detailed description of the duties to the Office of Faculty and Staff Relations which shall, within 30 days from receipt of the description of duties, consult with a designated representative of the Union.
The remaining provisions of the March 12, 1988 lawsuit settlement agreement shall continue to be in full force and effect.

Fifth: Provisions corresponding to the above shall be included, as required, in the 1987-1990 White Collar Unit Agreement.

Wherefore, we have hereunto set our hands and seals this _96__ day of August, 1988.

MEMORANDUM OF UNDERSTANDING

Agreement entered into by and between The City University of New York (hereinafter the “University”) and District Council 37, AFSCME, AFL-CIO on behalf of Local 384 (hereinafter “The Union”).

WHEREAS, the University and the Union (hereinafter “the parties”), have reached a mutual understanding and agreement regarding the intention of the University to allow the clerical/administrative employees represented by Local 384 (hereinafter “Gittleson” titles) to participate in CUNY’s 1999 Early Retirement Incentive (ERI) program; and

WHEREAS, such participation in the 1999 ERI is contingent upon the agreement of the parties as set forth below;

NOW THEREFORE, it is mutually agreed by and among the parties hereto as follows:

FIRST: It is understood and agreed that all University employees in Gittleson titles represented by Local 384, who meet the eligibility requirements, shall be eligible to participate in the University’s 1999 ERI, subject to the approval of the Board of Trustees and ratification by the membership of Local 384.

SECOND: It is understood and agreed that, in accordance with the 1999 ERI legislation, nothing herein will preclude the University from backfilling Gittleson positions reduced through participation in the ERI. It is further understood and agreed that the University will meet the revised minimum staffing requirements as set forth in paragraph “THIRD” below.

THIRD: It is understood and agreed that the minimum staffing requirement of 1792 positions (known as the “Gittleson Floor”), previously established by the March 21, 1993 Arbitration decision Case No. 13 390 00959 92, will be reduced to a new minimum staffing level of 1732 positions.
FOURTH: The University agrees that to the extent that participation in the 1999 ERI reduces the number of positions below 1732, the University will fill positions to the minimum staffing level of 1732, no later than June 30, 2000.

FIFTH: It is further understood and agreed that this Agreement constitutes the entire Agreement entered into by the parties, and it cannot be supplemented, amended, or modified in any manner, except in writing by Agreement of the parties.

SIXTH: This Agreement shall be effective and binding only upon its execution by all the parties set forth below.

We have carefully reviewed the revised positions put forth by you in our discussions of May 5 and 27, 1986, and reconsidered the earlier positions as set forth in the September 12, 1985, February 13, 1986, and May 14, 1986 documents, in the light of your new concerns. We are now prepared to make a final best offer, which we believe is a reasonable basis for agreement at this time.

As you know, there have been significant and substantive recent gains in the salaries of the CUNY employees you represent. These salary advances were put into effect as a good faith reflection of the fact that, since September, 1985, we were in evident agreement on all but a few minor details.

As I am sure you also realize, the next round of bargaining is not far off, and it will provide an appropriate opportunity to discuss any continuing concerns, such as the possibility of an additional sub-level, in the light of actual experience with the new titles.

The University's final best offer is as follows:

1. Local 375 is recognized as the respective union representing the following titles as part of the Non-Instructional Clerical, Administrative, and Professional Bargaining Unit (CUNY White Collar Unit). These titles were established by The Board of Trustees of The City University of New York on June 24, 1985, to become effective on July 1, 1985:

3. a) The Equity Review Panel award for New York City Engineering and Architectural titles, pursuant to the 1984-1987 Municipal Coalition Economic Agreement, shall apply to employees in the successor University Architectural and Engineering titles, in the same manner as applicable to the City titles, based upon the years of service in the University Architectural and Engineering titles. Future changes, if any, in the nomenclature of City titles shall not be construed so as to change the intent of this section.

b) Any CUNY employee in the title University Assistant Architect or University Assistant Engineer who was converted from the New York City title Assistant Architect or Assistant Engineer shall receive any longevity differential he or she would have received had he or she remained an Assistant Architect or Assistant Engineer.
c) Any CUNY employee who was receiving a service increase in a City title prior to reclassification to a CUNY title on July 1, 1985, shall receive a service increase adjustment equal to the service increase adjustment, if any, contained in the 1984-87 Equity Review Panel Award, cited in Section 3.a above, for the City title in which such employee served prior to reclassification.

d) Any CUNY employee in the title University Architect or University Engineer (Level I, Level II, or Level III), or in the title University Assistant Chief Architect or University Assistant Chief Engineer, who is already receiving a Service Increase, shall be paid no less than the salary, including service increase, that he or she would have received had he or she remained in the New York City architectural or engineering title from which he or she converted. Any adjustment to the service increase provided by the 1984-87 Equity Panel awards shall be included in such computation.

4. a) The University shall establish a Level II in the titles University Assistant Architect and University Assistant Engineer.

b) The salary schedule for Level II of the Assistant titles shall be that of University Architect/University Engineer, Level I.

c) Although the duties of the employees in the Assistant titles shall overlap those of the full University Architect and Engineer titles, no University Assistant Engineer or University Assistant Architect shall supervise a University Engineer or University Architect. Assignment of personnel in the Assistant titles to duties equivalent in scope and complexity to those of the full University Architect and University Engineer titles is a management prerogative.

d) Persons who have performed satisfactorily for one year or more in a University Assistant Architect or University Assistant Engineer title in a Level II position, and who subsequently become licensed as Professional Engineers or Registered Architects by the New York State Department of Education shall automatically mature to the title University Architect or University Engineer. Any person in such a situation who has served for less than one (1) year in a Level II position at the time he or she becomes licensed or registered shall automatically mature upon satisfactory completion of one (1) year of Level II service.

Gentlemen:

I write to confirm the understandings we reached during our discussion of December 19, 1985, regarding The City University of New York titles represented by Local 1407 — College Accounting Assistant and College Accountant.

1. We have agreed that the number of conversions and appointments to new College Accountant positions, both filled and projected to be filled, as outlined by CUNY at our meeting of October 15, 1985, brings CUNY into substantial compliance with the timetable we have agreed upon based on Arbitrator Ornati's award. We made all 28 conversions or new appointments by February 1, when two (2) College Accounting Assistants attained their degrees and were promoted to College Accountant. In addition, CUNY anticipates that several additional College Accountant positions will be developed by the end of this fiscal year.

2. We have agreed that it is appropriate to promote both Mr. Nicholas Saccone at the College of Staten Island and Mr. Teodoro Rodriguez at Bronx Community College to the title College Accountant on the basis of their current permanent status in the title College Accounting Assistant and of their having passed the New York City promotion examination for the title Accountant. These promotions will be expedited. These personnel actions will mark the last time CUNY contemplates using any competitive list that is certified by the New York City Department of Personnel for an accounting title, other than the CUNY titles College Accounting Assistant and College Accountant.

3. We have agreed that the job specifications for College Accountant are to be amended immediately to provide explicitly for supervision at Level II. The revised specifications, drafted by CUNY and reviewed by us at the December 19 meeting, are to be the basis of the new specifications, except that, at your suggestion, we will provide that if a Level II College Accountant supervises one or more Level II College Accountants, the supervisor must receive a salary no lower than the salary he or she received prior...
to the assignment of supervisory duties involving Level II College Accountants plus the promotion guarantee for Level III. The maximum salary of the title shall not be a bar to the payment of such salary to the supervisor.

4. We have agreed that those persons who were originally reclassified from the New York City title Accountant or Associate Accountant to College Accountant Level II and who have grieved that such assignment level is inappropriate (under the specifications now to be modified by paragraph 3 above) because they perform supervisory duties, will be reclassified to Level III. They will receive the advancement increase for Level III effective the respective date each of the grievances was filed. We agreed that such action will resolve each such grievance filed prior to the date the specifications are amended.

5. We agreed to the following provisions, which may be grouped under the heading "Equity":

a) Any CUNY employee in the title College Accounting Assistant who was converted from the New York City title Assistant Accountant shall receive any longevity differential he or she would have received had he or she remained an Assistant Accountant. Paragraph A.3. of the April 11, 1984, agreement between Local 1407 (DC 37) and CUNY is to be modified to reflect this change.

b) Any CUNY employee in the title College Accountant at Level I or Level II, who is already receiving a Service Increase pursuant to paragraph B.5. of the April 11, 1984, agreement between Local 1407 (DC 37) and CUNY, shall be paid no less than the salary, including service increase, that he or she would have received had he or she remained in the New York City title from which he or she converted: Accountant or Associate Accountant. Any adjustment to the service increase provided by the 1984-87 Equity Panel awards shall be included in such computation. [Paragraph B.5. of our April 11, 1984, agreement is to be modified to reflect this change].

Increase of salary (including service increase), if any, paid pursuant to this provision shall not result in a salary rate at Level 1A greater than the rate that would have been paid in Level 1A absent this provision.

c) The following shall apply to any person now serving in the title College Accountant who had served in the New York City titles Assistant Accountant, Accountant, Senior Accountant, or Associate Accountant prior to appointment to a title in the HEO
or Business Manager series.

1. Service in the HEO or Business Manager series title of less than one (1) year shall be bridged, that is, it shall not be credited but neither shall it break the continuity of accounting title service.

2. The person so serving shall be given credit for the prior New York City Accounting title service for service increase purposes only if his or her present salary, including any service increase received in the College Accountant title, is less than the salary he or she would be receiving had he or she remained in the last New York City Accounting title held prior to his or her HEO or Business Manager series appointment. In such case, his or her salary shall be adjusted to equal the salary that would have been paid.

3. The prior New York City Accounting title service will be credited for salary purposes as specified above and only such other purposes as may be required by applicable rule, regulation, or law.

6. We have, at your request, reviewed the status of the people currently serving in the College Accountant title who passed the promotion examination for the New York City title Associate Accountant. We find that all but one of these persons has already been advanced to Level II.

7. CUNY has examined the number of College Accountant title positions allocated to Level IV. We find that there is great likelihood that additional positions at this level will be identified and filled within the next several months. One position is at John Jay College; another, involving the possible reassignment of duties, is at Brooklyn College. We have agreed that where a change in assignment level is the result of a change in duties, an advancement increase is appropriate.

8. It is our understanding that the relevant portions of these agreements, as well as the April 11, 1984, agreements, will be incorporated into the 1984-87 White Collar unit agreement.

It is our further understanding that this letter, together with the April 11, 1984 agreements, resolves all of the outstanding issues between us regarding the CUNY titles represented by Local 1407 — College Accounting Assistant and College Accountant. If you concur, please sign the copy of this letter and return it to me.
I am pleased that we have been able to resolve all of the outstanding issues, and I look forward to a continuing cooperative relationship.

Dear Mr. Sullivan:

I write to confirm the understanding of the parties set forth below pertaining to the interpretation of Article VIII, Section 7 (a) and (b), as read in conjunction with Article VIII, Section 15 of both the White and Blue Collar Unit Agreements for the period 2006 – 2009. The language is as follows:

In the event that authorized voluntary overtime results in an employee, who is covered by the provisions of the Federal Fair Labor Standards Act (FLSA), and whose annual salary including overtime, all differentials and premium pay exceeds the contractual overtime cap amount, actually working in excess of forty (40) hours in a payroll week, such hours worked in excess of forty hours shall be compensated in time off at the rate of time and one-half (1-1/2x) provided that the employee does not thereby accrue more than 240 hours of FLSA compensatory time. Any hours of authorized voluntary overtime that would be in excess of 240 hours shall be paid in cash at the rate of time and one-half (1-1/2x).

If this accords with your understanding, please execute the signature line below. Should you have any questions, please feel free to contact my office.

Re: The City University of New York

Blue and White Collar Unit Agreements

Dear Ms. Wilson:

This letter serves to confirm the parties’ agreement regarding the classified staff arbitration panel and the procedures to be used in arbitrations filed with the American Arbitration Association (AAA) pursuant to CUNY’s classified staff blue and white collar unit agreements. These procedures cover employees represented by the following blue and white collar unions:

- District Council 37, Locals, 375, 384, 983, 1407, 1597, 1797, 2054, and 2627 (including the CUNY skilled trades titles under locals 924 and 1087)*
- International Brotherhood of Teamsters, Local 237 (including the CUNY skilled trade titles of: Maintenance Worker, Cement Mason, and Roofer)*
- Service Employees International Union, Local 300
- Motion Pictures Projectionist, Video Technicians, Theatrical Employees & Allied Crafts, IATSE, 306
- New York State Nurses Association

*By agreement between CUNY and the respective unions representing skilled trade titles, the disciplinary and grievance procedures contained in CUNY’s classified staff blue and white collar unit agreements, including arbitration, are available to these skilled trade employees.
The arbitration panel set forth in Section 3(C) of CUNY’s classified staff blue and white collar unit agreements shall consist of eight (8) arbitrators, who are as follows:

(1) Marilyn Levine  
(2) Gayle Gavin  
(3) Susan MacKenzie  
(4) Allan Symonette  
(5) Marlene Gold  
(6) Jay Siegel  
(7) James Brown  
(8) Arthur Reigel

This arbitration panel shall be used for all arbitrations submitted under the blue or white collar unit agreements, both expedited and non-expedited hearings. The arbitrators shall be selected in turn according to an alphabetical rotation.

The parties have further agreed that AAA rules shall apply to both non-expedited and expedited hearings, unless otherwise specified in the agreement with the following clarification:

1. In the case of an adjournment, the arbitrator shall remain on the case and a new date secured from the arbitrator.

2. The party requesting an adjournment shall be responsible for the full cost of any arbitrator’s fee caused by such adjournment. In the case of a joint request, any charges shall be shared equally by the parties.

Should you have any questions, please feel free to contact the parties. Thank you for your assistance in this matter.

Very truly yours,
