OVERVIEW

There is an emphasis on these required data elements for the Annual Institutional Update (AIU):

1. graduation rates with special attention to
 1. 2-year institutions with a 150% grad rate less than 15% and
 2. 4-year institutions with a 150% grad rate less than 25%
2. student debt repayment and default rates
3. Financial Health with special attention to:
 1. Primary reserve ratio
 2. Viability ratio
 3. Returns on Net Assets Ratio
 4. Operating Revenues Ratio
 5. Net Income Ratio
 6. Debt burden Ratio
 7. Tuition Discount Ratio
 8. Tuition Dependency Ratio

There are optional reporting variables (*the complete list can be located in the Data Dictionary link above*)

1. % students in 1 or more developmental courses - *reported by institution*
2. % first generation - *FAFSA import*
3. % minority enrollment - *IPEDS import*
4. % non-traditional student - *IPEDS import*
5. % part-time enrollment - *IPEDS import*
6. %Pell - *IPEDS import*

Note. Institutions will be able to select 3 optional measures - in addition to all of the required variables.

Three additional uploads are also permissible to explain the context of the institution, but MSCHE has cautioned they are looking for data trends, not prose.
