

HELPFUL TIPS ON APPLYING:

CHECKLIST

- Choose the degree program(s) that you would like to pursue.
- Research the admission requirements/ deadlines for the program (vary by college and program).
- Attend an Information Session to learn more about the program.
- Check to see if standardized tests are required so plan ahead.
- Contact your recommenders early (it is helpful to provide them with a copy of your personal statement).
- Request all official transcripts from all colleges attended.
- If you have international documents, check to see if an external evaluation and/or translation is needed. Allow 6 months for the visa process.
- Apply online (cuny.edu/apply)

Congratulations on starting this journey!

Questions?

Attend a Graduate 101 Information Session.
