CUNY Neurodiversity Conference

March 8th-9th, 2018
Borough of Manhattan Community College

Empowering students to succeed in higher education & beyond

Day 1 · Intellectual Disability
Day 2 · Autism Spectrum

Stakeholders in the field will share effective practices to promote student achievement and inclusion from college to career. Each day is focused on an aspect of neurodiversity, and will include speakers, a student panel, and opportunities for meaningful discussion.

Session Topics Include:
- Academic & Social Support
- Self-Advocacy
- Supported Decision Making
- Customized Employment

Professionals, parents, students, faculty, employers, and community advocates are all welcome to attend.

Registration: CUNYNeurodiversity.eventbrite.com
