Use the Manage your CUNY Login Account functions to change your password, security questions, email address and phone number.

**To change your CUNY Login account security questions...**

1. Navigate to [managelogin.cuny.edu](http://managelogin.cuny.edu)
2. Select the Manage your CUNY Login Account link

**Log in with your CUNY Login credentials**

1. Enter your CUNY Login credentials
2. Click the Log in button

**Self-Service Menu**

1. Click the Change Security Questions link
Select and answer five security challenge questions. Be sure to choose questions in which the answers are meaningful, easy to remember and concise.

**Note:** The responses you enter are not case sensitive.

1. Select desired question
2. Enter the answer
3. Repeat until all five Question and Answer fields have been completed
4. Click **Continue**

The Change Successful message appears stating that a confirmation has been sent via email.

**End of Procedure**
